LYNN ZAGORA, BUSINESS MANAGER

In an effort to create in her students a desire to "read beyond the book" Mrs. Long spends several periods early in the year acquainting her classes with the wealth and variety of material to be found in the library, and laying the foundation for their study of World Literature.

Dignified, Warm,

Dignified, warm, understanding, she has strived at Myers Park for eight years to produce a caliber of student capable to cope with the challenges he will ultimately face as a college student. She possesses a quality not found in many, no matter what their vocation—the ability to communicate her own enthusiasm to others and especially to impart some of her own infinite joy of learning to her students. From her we have gained more than a thorough knowledge of the literature she reveals to us. Her concern and respect for the individual's ideas inspire us to rise above what we have thought we are capable of doing. The respect we have for her grows out of the respect she shows for us in her mature presentation of material to us as intelligent individuals; as she encourages us to think and then to organize those thoughts.

It is not at all "odd, strange, and peculiar" to see Mrs. Long in the crowd at a basketball game.

Understanding, She Instills Joy of Learning in Students

Out of her belief that an understanding of great literature leads to an understanding of oneself, comes her effort to present that literature in as interesting a manner as possible. Whether a lecture or a discussion or a demonstration of how to arrange an Indian "sari", her classes are always unique. But she is just as concerned with what we learn on our own and urges us to search and think independently.

Her interest in her students extends outside of the classroom. As Honor Society advisor she serves as an example and inspiration to all students to achieve academically. A true Mustang, she attends the games and supports in spirit the school to which she gives so much of her time. We, the Senior Class, dedicate the 1967 **Mustang** to an inspiring teacher and a rare person, Mrs. Edith S. Long.

In a pensive moment, Mrs. Long displays the quiet dignity which has endeared her to her students.

SENIORS
SENIORS
SENIORS

The Senior Class of 1967 has repeated and excelled the fine performance of previous classes through its outstanding achievements in leadership, scholarship and athletics. The class spirit and unity have developed through three years of co-operation and association in classes, in school projects and in extra-curricular activities. Through this unity and spirit the Seniors of '67 have set high ideals for the underclassmen.

The Senior Class, led by officers Bill Griffin, David Hawkins, Sissy Beam, and Betsy Smith, presented the play "Our Town" for the benefit of the Senior Class Gift. Scholarship is also an attribute, as the class again attained more National Merit Finalists than any other school in the system, and also had finalists and scholars in the Reynolds, Angier B. Duke, and Morehead programs. Several of the talented senior athletes received bids from colleges for their abilities and their contributions to M.P.'s winning seasons. Past honors only predict greater ones to come as the '67 Seniors leave Myers Park saying so long to the three wonderful years filled with the responsibilities and privileges we enjoyed as Mustangs.

Senior Class Officers and Committee Chairmen. 1st ROW: Kenworthy, Pres. Griffin, Sec. Beam, Vice-Pres. Hawkins, Treas. Smith, Morrison, Heiner, Dixon. 2nd ROW: Burnham, Page, Martin, Aramaonie, Mauney, Peose, McGaagan. 3rd ROW: Spratt, Lonon, Byerly, Gwinn, Nichols, Barnes.

JUNIORS

JUNIORS

JUNIORS

As their second year at Myers Park began, the juniors returned with enthusiasm to face the challenges ahead and a strengthened feeling of belonging as each individual found himself more and more a part of his class and the school as a whole.

Capably filling leadership positions, juniors elected their class officers, served as varsity cheerleaders, Millie Mustangs, club officers, and Student Council Committee Chairmen. In addition to the endless task of preparing for the Junior-Senior, the juniors staged a class first—Hootenanny '67, the proceeds from which were put into the dance budget.

Spring brought the long-awaited class rings and the anxieties of cheerleader and lettergirl tryouts. In recognition of two years of conscientious effort, juniors were also inducted into the NHS and chosen to be Junior Marshals.

As their second year at Myers Park ended, the Class of '68 could look back with pride at their accomplishments, and look forward with anticipation to the even greater responsibilities and pleasures of being a senior.

Junior Homeroom Presidents. 1ST ROW: Potter, Blakeney, Morrison, Harkey, Woods, Patton, Belk, McLaughlin, Austin. 2ND ROW: Blucher, Schiffman, Neal, Currie, Hinkle, Babcock, Horney, Thomas, Gallant.

Chan Martin and Ellen Apperson are Myers Park's American Field Service finalists. They are notified in May about their summer homes abroad.

This year four Myers Park students will represent Charlotte abroad on the Charlotte Exchange Student Program. Ellen Roberts will go to Chile, Johanna Powers to New Zealand, and Scott Verner to Finland. Not pictured is Steve Graham who will spend the summer in France.

Juniors Have Become Active, Vital Part of Life at MP

Talented John Rhyne plays a drum solo as part of the junior-class-sponsored Hootenanny '67. The juniors, aided by class advisor Mrs. Sawyer, showed imagination and initiative in sponsoring the show which raised over two hundred dollars toward the Junior-Senior Dance.

Lloyd Rose stands solemnly during a quiet moment in the play OUR TOWN. Juniors won major roles in the senior class production this year.

Carol Woods, Lane Carson, Anita Stonecipher, Susan Rose, and Mary Jones combine their ideas and efforts making posters to decorate before the Garinger game. The junior class was responsible for collecting enough money to buy materials to decorate one half of the old cafeteria. One of the moin attractions of the juniors' side was a huge stuffed, caged wildcat.

Becky Rollins (34) takes an active part in after-school GAA activities. Junior girls continue to make a great contribution to girls' sports at Myers Park.

SOPHOMORES

In September more than six hundred sophomores entered Myers Park, full of spirit and vitality. Drawing from three junior high schools, they represented a group of well-diversified students. Each came with his own ideas, abilities, strengths, and weaknesses. The uncertainty and hesitancy which marked his first weeks were soon overcome and this heterogeneous mass became a smoothly working unit welded by the spirit which is Myers Park. Now, the Sophomore has become an active, vital part of the whole—our student body. His intellect was a welcome addition in the classroom, his creativity enhanced extracurricular activities, and his physical prowess was an extra dividend on the athletic field. Sportsmanship, leadership, scholarship — these qualities which are the hallmark of our school are in the hands of the Sophomore class. Leaders are developing; able leaders who will govern the student body in the same efficient manner as their predecessors. The Myers Park tradition of excellence will be fulfilled.

Sophomore Homeroom Presidents. 1ST ROW: Nichols, Dunoway, Stroupe, Gossett, Bell, Kennedy, Repetto, Heermans. 2ND ROW: Phillips, McMillan, Brooks, Jordan, Curry, Archer, Corbett, Austin.

JV Cheerleaders Monica Daniel, Michele Marine, Beth Squires, and Sally Fleming exude spirit at one of the Myers Park games.

Administration, Teachers, and Students Work Together for Success at MP

Administrative leadership, teacher interest, and student co-operation all combined to produce a successful year at Myers Park. Dr. Lewis, Mr. Lee, and Mr. Oliver led the faculty in striving to maintain outstanding programs in curriculum, activities, athletics, and guidance. While Mr. Lee and Mr. Oliver were mainly in charge of discipline, Dr. Lewis assumed complete responsibility for the school.

The four counselors—Miss Sifford, Mr. Feimster, Miss Poag, and Mr. Rorie—were always eager to help any student with his individual problems. Furthermore, they spent endless hours helping students with applications to the college of their choice. The cafeteria and maintenance staffs deserve much recognition for the many hours of work given to serving wholesome food in the cafeteria, and keeping the school and grounds in superior condition.

And Explore Great English, American, and World Literature

At Myers Park, English might be said to be the cornerstone of the academic system. It is the only subject required for all three years a student is at Myers Park.

Beginning in the tenth grade, sophomores study a variety of great literature. Students thrill to the power of **Julius Caesar,** probe Tennyson's **Idylls of the King,** and study every detail of Eliot's **Silas Marner.**

In the eleventh grade, a comprehensive study of American literature is offered. The juniors begin with the earliest American writers and advance to the works of Emerson, Thoreau, Hawthorne, and Bryant.

In addition, detailed studies of Nathaniel Hawthorne's masterpiece **The Scarlet Letter** and Herman Melville's **Moby Dick** are fundamentals of this course.

While in the twelfth grade, seniors delve into the world of British literature. Beginning with the Anglo-Saxon period the students also study British history up to modern times. Between the two extremes seniors discover the genius of Shakespeare as they read **Macbeth** and **Hamlet.** The grandeur of Milton's **Paradise Lost** and Bunyan's **Pilgrim's Progress** are studied soon after Shakespeare. From the Romantic Age, students have the opportunity to read the works of Wordsworth, Coleridge, Shelley, and Keats.

This period is followed by a study of Tennyson and the Victorian Era. Modern works complete this interesting course. As well as the required English courses offered at Myers Park, many seniors may wish to take on advanced literature course. Myers Park has two such courses: Senior Literature and World Literature. Senior Literature is a course offered on a one-semester basis. In this course, students read great classics from all over the world. World Literature, which is a full-year course, involves a study of the great literature of every major nationality, from ancient to modern times.

Cherryl Glisson, Doris Dixon, Ken Browder, and Donna Brown enact a scene from Chaucer's Canterbury Tales. The Canterbury Tales represent only a short phase of the English 12 course, which is entirely devoted to the study of English literature.

Terry Brown delivers a speech in Mrs. Potter's Speech II class. Debate and speech are both vital phases of this course.

The speech pragram at Myers Park is an essential part af the Language Arts curriculum. The student participant is first taught the art af being able to stand up in front of a graup af peaple and speak well. Students quickly lose any fears they had befare entering the classraam. Not anly do students give speeches af their awn, but they also engage in debates or listen ta variaus guest speakers.

In Current Events, students participate in active discussians of world situatians. In this half-year caurse, students aften listen to outside speakers, ar give speeches of their awn.

Drama is one af the mast interesting caurses affered at Myers Park. In Drama I and II students study every aspect af the theater. Withaut the in valuable assistance of the Drama Department, the plays and shaws given at MP would not be possible. Productians this year included **My Fair Lady,** and **Our Town.**

Members af Miss Nelsan's advanced English 11 class take part in discussians af literature every week. Thraughaut the year, this caurse is entirely devated ta the study af great American literature.

During the lunch periods, the library is always crowded with the many students wishing to make use of the library's many fine facilities.

Librarians Provide Well-balanced Program for Myers Park

Under the capable leadership of Miss Phifer and Miss Sidden, the library became the focal point of Myers Park's academic life. Materials were made available in every field, and some of the newest modern fiction was added. The staff purchased three thousand new books, bringing the total number of books in the library to about fourteen thousand.

Myers Park students also made use of four new sets of encyclopedias. The foreign language department, the largest in the school system, was expanded to contain four hundred volumes in French, Spanish, German, and Latin. Several magazines were made available in foreign languages as well as English.

Thus, the librarians enjoyed a success- on reading for enjoyment as well as research. Sophomores explored the new and often unfamiliar facilities the ful year while placing more emphasis library had to offer, and juniors and seniors found new worlds of knowledge open to them.

Miss Phifer works diligently to put many new books on the shelves for students to check out.

Miss Sidden, the assistant librarian, works hard to help Miss Phifer keep Myers Park's library running smoothly. The library itself contains more than fourteen thousand books.

Fine Arts Classes Offer Opportunities to Talented Students

At Myers Park, students are fortunate to be able to participate in the outstanding Fine Arts courses offered. The Fine Arts Department offers Art and Music programs to interested students.

Any student who so wishes may participate in Art I. This course, which is for the beginner or junior high graduate, teaches the student fundamental concepts of color and design. In Art II and III, the more advanced art courses, students perfect their own style as originality is encouraged. Examples of student work are displayed at the school while other paintings or sculptures may be sent to contests—city-wide, state-wide, or national—to compete for various prizes.

Mr. Benson conducts the Symphonic Band during the winter concert. These talented musicians give two concerts each year. Some students prove their versatility by joining the Marching Band and sometimes the Orchestra.

The Music Department provides a great deal of opportunity for talented musicians.

Chorus I may be selected by any student who wishes to sing. In the following years, he may wish to advance to Chorus II or III. Members of the Choir are chosen from the Chorus II and III classes.

The bands provided exciting entertainment at Myers Park. The marching band presented colorful halftime shows at the football games and the symphonic band's concerts were the result of diligent practice.

The orchestra presented enjoyable concerts throughout the year. Also the music for Myers Park's musical, **My Fair Lady,** was provided by the orchestra.

Gold Key award winner Cherryl Glisson demonstrates her style as she begins work on a new drawing. The Myers Park student is continually faced with the challenge of developing new styles and techniques.

Members of the orchestra concentrate intently on the sheet music before them. Besides talent, perseverance and interest are qualities of the potential musicians.

Myers Park Offers Great Variety in Social Sciences

At Myers Park, many fields are open to the student in the social sciences. Required for graduation are American History and World History, which all students take. However, the Social Studies Department also offers Psychology, Economics, Sociology, Bible I and II, and Problems of Democracy. World History is a challenging course that involves a detailed study of mankind — tracing back to prehistoric times. However, special emphasis is soon put on the more civilized areas of the world.

In United States History, students not only learn facts and dates, but also gain valuable insight into the way our government works. They begin such a study by delving into the Constitution — the foundation of our democracy.

Psychology affords the student beginning study of the human being — his mind and his emotions. Students are able to participate in the many interesting experiments included in this course. On the other hand, Sociology deals with human relationships in today's world. Economics introduces the student to the complex laws of business that keep our economy stable, and Problems of Democracy is a discussion forum on the world situation today.

Mrs. Scott waits for answer to a fundamental question in one of her psychology classes. Any person wishing to take this course may do so.

Skills of Reading, Writing, and Speech are Emphasized in

For the future college student, two years of a foreign language are almost always required. Myers Park provides one of the most thorough foreign language curriculums in the system. French is offered for five years at Myers Park. French I and II give pronunciation rules and lay foundations of grammar. While continuing to study grammar, French III students also read magazine and news articles along with excerpts from modern works. French IV puts the emphasis on great literature, whereas in French V, the objective is to teach the student to speak the language well.

Spanish I introduces the basic principles of rhetoric while Spanish II continues this grammatical study. In Spanish III students learn the histories of Spanish-speaking countries. The Spanish IV course is designed to introduce the student to great Spanish literature.

Latin is also offered for four years at Myers Park. Latin I begins with basic grammar combined with the history of Rome. In Latin II, grammar study is continued, but students also read Caesar's history of the Gallic Wars.

Latin III students read the prose of Cicero and Virgil and the members of the Latin IV class study poetry. Myers Park also offers a three-year course in German. The first course provides fundamentals of grammar. The second year introduces students to the literature of the Germanic peoples.

Physical Education

In keeping with the theory that a sound mind needs a sound body, Myers Park provides an excellent Physical Education program. While taking the course, students have the opportunity to enjoy themselves as they receive valuable exercise.

Many team sports are a part of the physical education program. Students participate actively in touch football, basketball, soccer, and softball. Individual skills are also encouraged as Gym class members take part in such activities as cross-country running, weight-lifting, archery, and wrestling. Calisthenics is another important aspect of the P.E. course. Each day the boys and girls exercise strenuously for about ten minutes. Girls learn to be more poised and graceful as boys increase their physical resistance and agility.

Perhaps the most important things the students learn are the principles of safety and sportsmanship. The importance of safety is emphasized throughout the entire program. Sportsmanship is, at all times, encouraged — not only by the instructors themselves, but also by the students as they work together in friendly competition and recreation.

Sunny days make perfect weather for staying outside as members of Coach Purcell's Phys. Ed. class participate in a lively game of softball. Softball, soccer, football, archery, and track are among those outdoor sports that make up an integral part of the Physical Education program.

Stowe Perry gives it all he's got as he participates in a healthful session of softball.

Louis Jewell leads the rest of Coach Allen's gym class in a daily session of exercises. About fifteen minutes of the gym class period is devoted to calisthenics each day.

Girls in Phys. Ed. class provide an interesting pattern as they do their daily exercises. Exercises for the girls are carefully planned to help accentuate their figures and develop co-ordination.

These Phys. Ed. students take a run around the track; grueling laps are required daily of these boys.

While attending required classes, these students receive on-the-job training for which they are paid. Special emphasis is put on fundamentals of retailing, marketing, and salesmanship.

The Industrial Co-operative Training course is open to any student with a vocational goal. This course operates much the same as the D.E. course except the emphasis is on the skilled professions such as mechanics or electronics. For all students useful courses in Typing, Bookkeeping, Office Practice, and Business Mathematics are offered. Mr. Fulcher, the Physics teacher, contemplates a math problem during a moment of quiet in class.

When a student enters Myers Park, he is immediately presented with the vast opportunities the Science Department has to offer. From the beginning he is able to take part in the many interesting experiments in Biology, Chemistry, or Physics. Biology I offers a study of plant and animal life. Experiments are performed not only with the large forms of life, but also with bacteria and other micro-organisms.

In Chemistry, students are more concerned with inorganic substances, as the significance of atomic and molecular structure is discovered. The Chemistry course usually has two lab exercises a week in which students observe and study chemical reactions.

Physics students delve into the complex laws of nature and motion. Although Physics is primarily a science course, it also involves a great deal of mathematical work. After taking Physics or Chemistry, students who wish to advance even further may wish to participate in the Biology II program. This advanced course involves deeper study, observation, and experiment. Other twelfth-graders may wish to take Senior Science, which offers an overall review of the sciences.

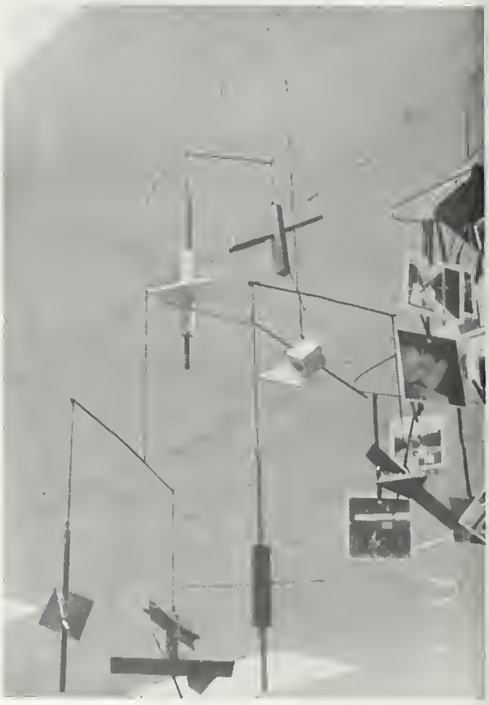
Myers Park Offers College Mathematics

The world of mathematics is complex, but fascinating. To the Myers Park student, the doors to this world are open, and he is free to explore. The exploration begins with Algebra I, which introduces the student to basic algebraic principles. Plane Geometry, the course usually taken after Algebra I, involves the study of important theorems, proofs, angles, and other figures. After taking Geometry, the student advances into Algebra II. This course continues the study of Algebra I, although it is more difficult. When a student finishes Algebra II, he may wish to continue his studies through Algebra III - Trigonometry. In this course, advanced algebra and the circular functions are introduced. Mathematical Analysis is the most advanced course Myers Park offers in the field of mathematics. Students continue study of the circular functions and mathematical induction. Analytic Geometry is a new area introduced in this subject. Myers Park students are fortunate to have the opportunity to begin study of the college courses.



Varied Geometry projects adorn the ceiling in Mrs. Brosius' classroom. All students are required to make at least one project a year.

Helen Massey, the only girl that takes Industrial Arts at Myers Park, begins a new set of plans. Mechanical Drawing, though sometimes complicated, is required of every student in the Industrial Arts program.

Greg Johnson works diligently on his project during Shop period. Each student must first draw the plans for the object he wishes to build.

In Arts and Crafts

When a student first enters Myers Park as a sophomore, he is given the opportunity to take on a new responsibility. Through the Driver Education program, he is able to get his license after passing the 30-hour course. The Driver Education program is indispensable, for it builds safe and conscientious drivers of tomorrow.

In the Home Economics course, girls learn to become superior homemakers. Skills of cooking, sewing, and good housekeeping are taught. Each girl must assume that she is managing her own home and clean up after each day's work. Girls also study the art of fashion and problems of health and nutrition.

Industrial Arts introduces students to the complex world of mechanical drawing as well as crafts of construction. If the student wishes to build anything in the shop, he must first design plans for it. This year, Mr. Booth and the shop class undertook a special project. They built furniture and made toys for a youth center in another neighborhood under the sponsorship of the Methodist Church.

During one of Mrs. Lyerly's Home Economics classes, Molly Michener and Bessie Demos knead the proper amount of dough for a baking project. Besides working and baking, these students learn the nutritional values of foods.

A new dress seems to be the subject of these girls' attentions as they make sure the hemline is straight. Sewing is just one facet of the interesting course.

Ann Fogortie concentrates intently on her sewing project in Home Ec. class. In this course girls have the opportunity to make beautiful clothes for themselves.

Participation Brings Renewal of School Spirit; Three Classes Unite for Good of MP

Retrospect. What do we see? Three years—long years, yet too short for all the demands on our time. These years are good ones filled with exciting victories, warm friendships, and the proud self-assurance that comes with being a Mustang. These memories are stored for the bright future. As the small moments dim, one thing shines clear. A spirit of oneness prevails over Myers Park. For all that is done by every Mustang becomes a part of Myers Park's story.

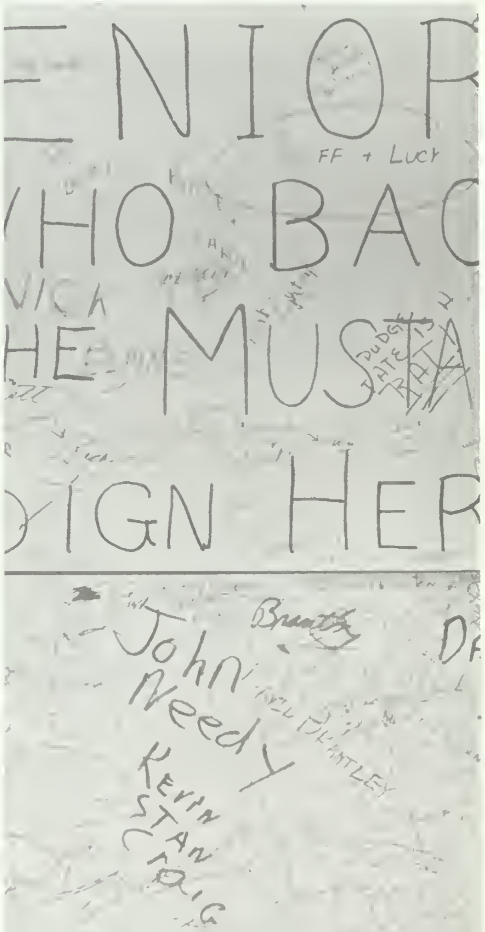
We have found unity in diversity.

We have learned to respect the contribution of every individual.

As we develop our talents and abilities, we share with one another those special moments when we are Mustangs. Working at the Bar-B-Que, yelling at pep rallies, and making Junior-Senior the best ever are bonds which we treasure. No longer do we think of high school as a necessary evil in our formal education. It is the beginning of the search for truth, a greater understanding of our fellow man, and a greater knowledge of ourselves.

Pep rallies sponsored by the cheerleaders and the School Spirit Committee help to bolster enthusiasm before a big game.

Seniors rally to answer the call for support by signing their names to a "spirit poster."



Bob Jones, Grady Lonon, David Bowser, Nancy Byerly, Sandy Freeman, and Ollie Sharman perform in the Talent Show put on by the Drama Department.

A skydiver was obtained by the Key Club to promote school spirit before a big game.

Diversified Phases of Extra-Curricular Activities Provide

For arch-rival Garinger, the caged Wildcat expresses the hope of the Junior Class for a victory.

A vital part of student life at Myers Park is the various assemblies, dances, and plays, which are enjoyed and appreciated by the students. The World of Carl Sandburg, presented by Flatrock Players, was one of the first assemblies of the year. This program gave insight into Sandburg's life and included some of his famous works. Displaying a surprising amount of talent here at Myers Park, the Show Biz Revue was a complete success, and aided in increasing the Drama Department's treasury. **Our Town,** the senior class production, was attended by a large number of juniors who were trying to avoid reading it in their Lit books.

Climaxed by the announcement of the Queen, the Homecoming Dance was greatly enjoyed by students. Sadie Hawkins, held in the Lil' Abner and Daisy Mae tradition, was a turnabout for boys, who had to sit by their phones and wait for a date. Junior-Senior, the juniors' annual project, was characterized by the closely-guarded secret of the theme, which was carried out by the decoration of the foyer, old and new cafeterias, and the patio. Money for the dance was raised this year by the presentation of a hootenanny displaying talent from all three classes. The Foreign Exchange Banquet, sponsored by the Interact Club, gave the students at Myers Park a chance to meet our Foreign Exchange students.

Bill Griffin sells tickets to the Senior Class Play produced to raise money for the Senior Class gift.

Penny Hollars dispenses holiday cheer for the Keyettes.

Student Council gives students a chance to participate in decisions. This year the point system was revised to make the Council open to more students.

Many Opportunities for Achievement and Self-Expression

For a skit in English, Ken Browder plays the part of Chaucer's Priest.

The Novas, a group of talented students, entertains during the annual PTA Bar-B-Que. Students provided entertainment at set times throughout the day.

In order to raise money for the Junior-Senior, the Junior Class sponsors a Hootenanny featuring bands and singing groups composed of talented students.

Mary Reid, Head Cheerleader, voices her opinion to a question brought up in Student Council.

Honors Received

Again the high standards of education and citizenship at Myers Park were demonstrated in the number of scholarships, awards, and honors given to Myers Park students. To receive such honors as the Harvard Book Award and the D.A.R. Good Citizenship Award, a student must have not only good grades, but he must also possess outstanding qualities of citizenship and leadership. He must be well-rounded and active in school affairs. He must be aware; not only of himself, but of others and also of his school. Sue Buck exemplified these attributes, and thus was chosen by the Daughters of the American Revolution to receive their Good Citizenship Award. Bruce Page, for outstanding achievement as a scholar, was recognized as recipient of the Harvard Book Award.

In his junior year, Graham McGoogan was selected to receive the Sewanee Award for Excellence from the University of the South.

At Honor Society induction for the second 5% of the Senior Class, Janice Booth gives Donna Kalevas her ribbon and badge.

By Deserving Students for Their Endeavors

The National Merit Tests, which were given to all interested juniors in February, separate the merely good students from the excellent ones. Those scoring above a certain level became Semi-Finalists. This year all sixteen of Myers Park's Semi-Finalists became Finalists, giving us the highest number of winners in the county.

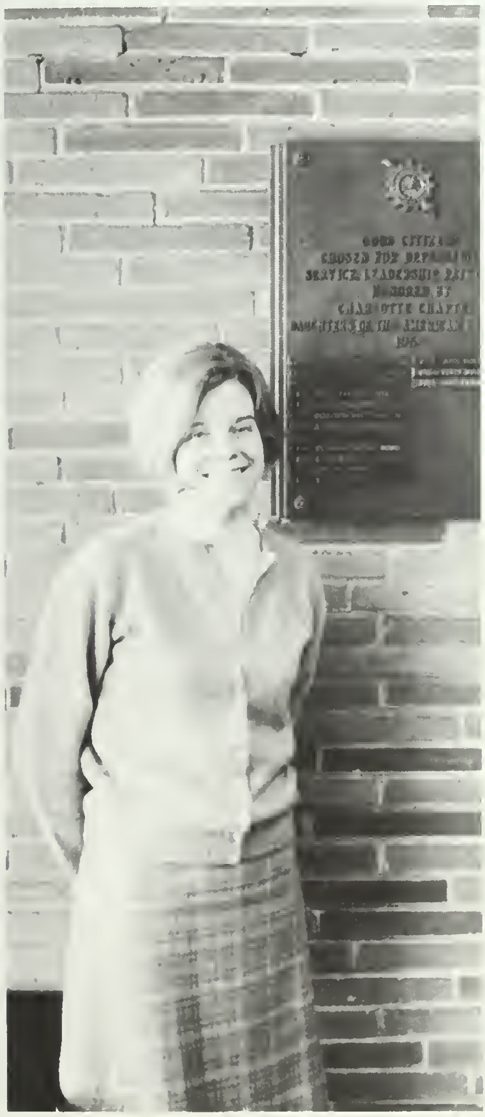
The Sewanee Award for Excellence, given by the University of the South, rewards high achievement in scholarship, leadership, and citizenship. This award was given to Graham McGoogan at Honors and Awards Day last year.

Another honor bestowed on qualifying students was membership in the National Honor Society. Students eligible for this honor must be of high character and also have achieved an outstanding scholastic record. Fifteen percent of the Senior Class was inducted into the group.

The only snowfall of the year causes definite excitement as everyone looks forward to a holiday.

Bruce Page is awarded the distinguished Harvard Book Award for his outstanding endeavors.

Furthering her honorary accomplishments, Sue Buck is the recipient of the DAR Good Citizen Award.



During the annual Back-To-School PTA meeting, Terry Brown serves as a guide, helpfully giving directions to confused parents.

Well-Rounded Students Are Rewarded For Hard Work and Devotion to MP

Myers Park's traditional Homecoming Dance was held this year after our victory over East. Announcement of the Queen and her court was made during the halftime show. The Queen Barbara Belue, was joined by Betsy Smith and Doris Dixon, Senior Attendants, Anita Stonecipher, Junior Attendant, and Monica Daniel, Sophomore Attendant.

At the annual Thanksgiving Day parade, Missy Stewart represented Myers Park. She was one of the three honor princesses traditionally chosen to represent the student bodies of Garinger, Harding, and Myers Park. Missy's selection allowed her to attend the Carousel Ball and to ride on the King and Queen's float in the parade.

Each year singling out the qualities of leadership, dependability, and devotion to the school, the student body selects two seniors as Mr. and Miss Myers Park. Randy Short and Betsy Smith were the two chosen to receive this honor which rewards three years of continual efforts to serve Myers Park.

Every senior class has the responsibility of electing one boy and one girl to receive the Danforth Award. The two receiving this honor were selected on the basis of outstanding qualities of leadership. Cathy Harkey and Bill Griffin were chosen by their classmates as deserving of this important award.

Elected Carousel Princess, Missy Stewart represents Myers Park in the annual Thanksgiving Parade.

The Seniors of Myers Park chose, as Mr. and Miss Myers Park, a couple possessing the qualities of friendliness, pride in their school, and a dedicated willingness to serve. Randy Short and Betsy Smith received this honor.

National Merit Letter of Commendation winners are Melanie Matley and Bill Faucette. They rank just below the finalists in test scores.

Bill Griffin and Cathy Harkey receive the Danforth Award honoring special leadership qualities.

Sponsor Muffy Morrison and her escort, Brantley Blair, leave the Carousel during the half-time presentation.

Barbara Belue, who sponsored David Martin, is crowned Homecoming Queen during half-time. She was elected by the members of the football team.

Without the help of many dedicated students, MY FAIR LADY could not have gone on.

Bonnie Harkey speaks at the Honor Society Assembly. The theme was "No man is an island."

School life consists of much more than academic work. After school activities, such as decorating the cafeteria, do much to complete a student's growing up.

Horner Awards Honor Seniors Displaying Outstanding Abilities, Service to School

Patsy Austin

Each year, outstanding members of the senior class are honored with the Horner Award for their outstanding achievements and invaluable service to the school and their fellow students. Those selected exhibit exceptional traits in the fields of leadership, scholarship, dependability, character, and service. The number of students varies each year, but the qualifications remain the same.

Established in 1962, the awards are given annually in honor of Dr. Jack Horner, principal of Myers Park from 1955 to 1960. They commemorate his five years of leadership and faithful service to the school in its early years. This special recognition is given only to students who have contributed unselfishly of their time and talent toward the betterment of Myers Park. The differing interests of the chosen seniors show the varying opportunities which Myers Park provides for all its students. The achievements and contributions of the Horner Awardees set an example for everyone to follow. These students have proven throughout their three years at MP that participation brings enjoyment and fulfillment.

With Service, Achievement, and Social Activities, Unforgettable

The moment of recognition for hard work comes upon induction into NHS and a smile from a friend.

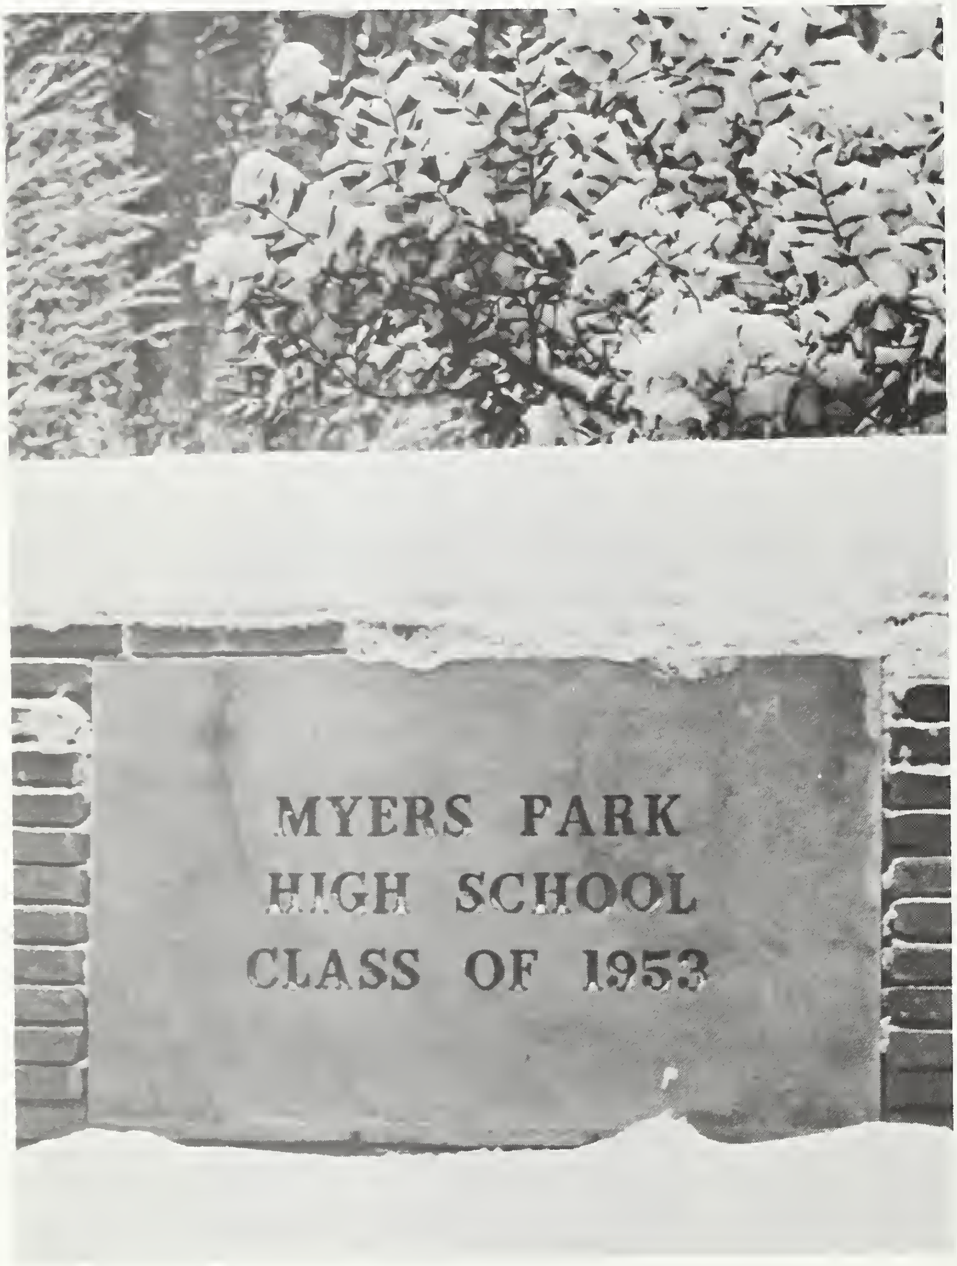
Students returning in the fall, or entering for the first time, bring with them a multitude of diverse interests and talents. Each quickly becomes a Mustang and strives for that common goal—excellence. This search for excellence covers every facet of school life—in the classroom, and in extracurricular activities.

The Sophomore rapidly learns that his greatest reward comes through participation. He becomes an activist, a worker, and welcomes and contributes new ideas.

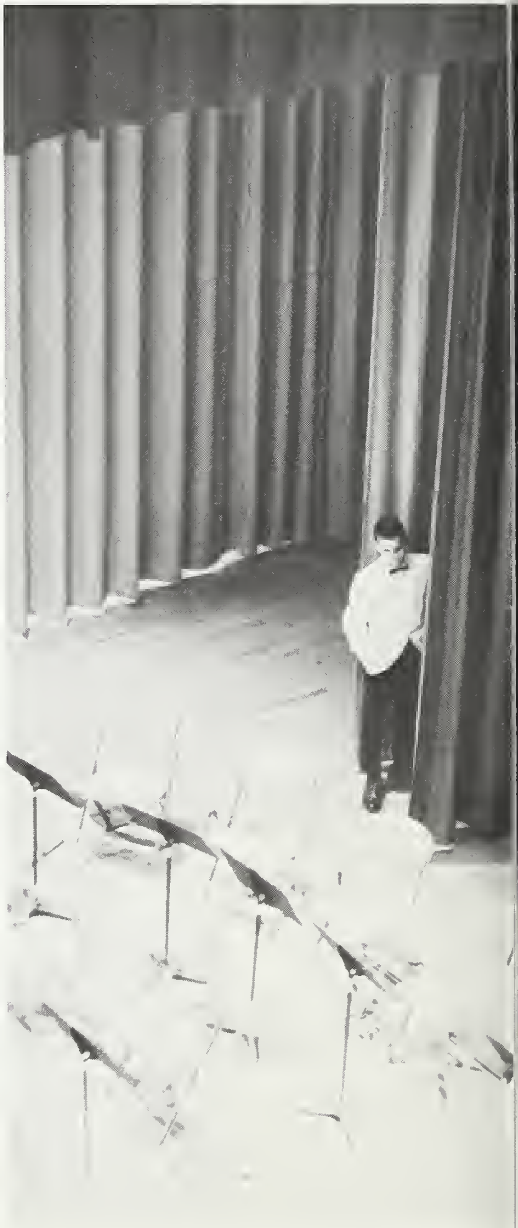
What Junior can forget the thrill of being an upperclassman and the secure feeling of knowing his way around? He belongs and has a part in making the decisions that will make this year the best ever. The Juniors have already learned the most important lesson of all—that nothing generates enthusiasm more than enthusiasm. They are eager to pass on their hard won knowledge.

All of the wonderful experiences that have enriched three years makes being a Senior a time of anticipation and nostalgia as one reflects on his disappointments and joys. Seniors are the proven leaders of a school that has a vital purpose, and Myers Park has such a purpose.

Just as snow enhances and complements the monument at the entrance to the school, so do its students complement Myers Park.



A moment of solitude is found by one lone student in the tense moments before a performance.



Years at Myers Park Pass Altogether Too Swiftly for Us

Certainly, no one will ever forget that first day at Myers Park, the first pep rally, or the first research paper. Nor will any of us forget the ordinary day-to-day events which we must live as ordinary people. True, these experiences do not seem momentous, but they became the things we recall most often. Suddenly here at the end we realize it is merely how we utilize our opportunities when we have them that counts. These days at Myers Park build upon each other, rewarding everyone who dares to become a part of the Myers Park story.

Hurry, scurry, this is the symbol of school life. Yet, there are moments when, oblivious to their surroundings, two girls find themselves alone and apart from everyone else.

The mobility of the hand and its search for more time and more knowledge is a familiar sight to each and every student at Myers Park.

School life is a mixture of winning and losing, ups and downs, as mirrored in the passing faces.

MUSTANGLAND — a place that prepares us for life. And after graduation a new world opens up; a world that will pass just a quickly as three years at MP.

Student Council Promotes "Unity for Victory" Theme

The Seniors decorated the new cafeteria to prove that they have the most school spirit.

The Student Council officers worked hard to unite a student body of two thousand. Choosing a theme supported by the rest of the students, the entire council emphasized the importance of "Unity for Victory". All students were urged to take a more active part in student government. Working through homeroom representatives, each student was asked to give helpful suggestions and opinions on student life. This step added another dimension through which there was better communication throughout the school.

This year's Student Council worked diligently in uncovering a more effective means of student government and policy-making. It concerned itself in writing and presenting a revised constitution, enabling a smoother-run organization and involving a greater percentage of the student body.

Thirteen Committees Concentrate on Bringing Together All

MYRS PARK
MUSTANGS

Along with their other duties, the School Spirit Committee also hunts for lost articles. This year they found the canvas through which the football players run before games.

A vital section of the Student Council was the thirteen committees which concentrated on the diversified phases of student life.

Students were greeted by an enthusiastic Welcoming Committee at the New Students' Tea which initiated a friendly atmosphere for newcomers. At a tea at the beginning of the year, the Foreign Exchange Committee introduced the foreign exchange students to the rest of the student body. The Publicity and School Spirit Committees informed students of various athletic events and activities throughout the week. These committees met to work on informative signs and banners. After distributing handbooks to new students in September, the Handbook-Scrapbook Committee gathered materials for the Scrapbook, commemorating outstanding school events.

Phases of Life

Student Opinions brought about some desired changes in school policy by acting on student suggestions. Public Relations strived to improve communication and relations among the schools.

Myers Park unanimously accepted an Honor Code presented in December by the Citizenship Committee. "Carousel", the theme for the Homecoming Dance, delighted all who attended. The Dance Committee featured Ben E. King for the annual Sadie Hawkins Dance.

The work of two committees was less publicized but greatly appreciated. The Assembly and House and Grounds Committees set up for scheduled meetings and cleaned up the campus. The Elections Committee saw that the numerous elections were run smoothly. The Hall of Fame Committee worked to select outstanding former students for induction into Myers Park's Hall of Fame.

Committee Chairmen are: Athletic: Burnham, McMillan, Graham; Citizenship: Whittaker, Buck; Dance: Nettles, Sebrell, Glisson; Elections: Nadell, Jones, Dubose; Hall of Fame: McGoogan, Belk, Morrison; Handbook-Scrapbook: Aramoonie, Page; Public Relations: Babcock, Miller; Publicity: Hill, Young, Aramoonie; Foreign Exchange: Ford, Parker; School Spirit: Tate, Austin; Student Opinion: Daniel, Jordan, Wilkinson; Welcoming: Roberts, Thomason, Brown.

Keyettes Become Active Part of MP: Paint Gay Flowers, Work at Nursery

With the discovery of the need for another girls' service club, the Keyette Club was started late last year. Taking as their motto, "To Build," the members have become active in both school and community. At the beginning of the school year, the Keyettes wore "Ask Me" tags, inviting sophomores, new students, and absent-minded old ones to ask them the location of buildings and rooms. The girls joined with the Interact Club in an effort to beautify the campus by mowing and clipping the grass. To brighten the day for Myers Park girls, the Keyettes spent three weeks on an original project of painting bigger-than-life flowers in the girls' bathrooms. Two girls helped at the Sunshine Day Nursery on Monday's and Wednesday's. This nursery provides supervised activities for children whose parents work. At Christmas the Keyettes played Santa not only to the students at Myers Park during lunch but also to a welfare family of eight children. The girls took the children Christmas shopping and furnished gifts for them to open on Christmas morning. Two Keyettes each week attended the Thursday luncheon-meetings of their sponsoring club, the Charlotte Kiwanis.

Members of NFL Win Recognition for Speaking Abilities

The National Forensic League recognizes the talents and abilities of students who excel in public speaking, debating, and interpretive readings. To become a member, students earn points by debating, making speeches, and participating in contests held by different NFL chapters. Members of the Debating Team gained recognition this year through their successes in various tournaments. At the tournament at the University of Pittsburgh in which eighty schools participated, Myers Park received a "Superior" rating. Speech Club members attended an official Congress and speaking contest in Erwin, Tennessee, and did exceptionally well. The club earned money to help pay trip expenses by selling tickets for parking spaces at the Shrine Bowl game. Regular meetings held at the Park Road S&W feature guest speakers and programs planned and conducted by the members themselves.

Cager of the Week

Randy Short announces Bobby Haubenreiser as the lucky recipient of the Cager-of-the-Week award.

The most spectacular of the Key Club's activities this year featured a skydiver who brought a spirit message during a pep rally. More down-to-earth projects included publishing the Key Club Directory, cleaning and painting parts of the stadium, purchasing college guidance books for the counselors' use, and sponsoring the student-faculty basketball game. The boys collected over 250 pounds of reading material for soldiers in Vietnam. Sounds of the Tams and Temptations were heard during lunch on several occasions. The parent appreciation banquet, conducted by the members, honored Jim Beaty as speaker. During "Key Club Week," prominent men in the community spoke over the intercom about citizenship and scholarship.

Modern Music Masters Serve as Ushers

Modern Music Masters Off.: Vice-Pres. Bawser, Sec. Rendleman, Pres. Allen, Treas. Shormon.

Modern Music Masters is an honorary organization which recognizes outstanding musical achievements of students. The MP chapter is one out of 700 all over the world. New members are inducted twice a year and must show their worthiness by performing in unique skits at the May banquet. There is much room for originality in such parts as a swan lake ballet and a concerto on four gasoline cans The members ushered at most musical performances given at Myers Park. They also gave a chamber music concert featuring small vocal and instrumental ensembles. This program was open to the public. At the monthly meetings of Modern Music Masters, interesting speakers such as Robert Chapero Hazzan and Purvis Lee presented talks.

Social Studies Club Hears Speakers

Organized for only two years, the Social Studies Club has become one of Myers Park's most interesting activities. Guest speakers such as Mr. Joseph Myers and the Reverend Daniel Durway helped to broaden the members' knowledge of problems, situations, and events occurring in the world today. Question and answer periods and small discussion groups give members an opportunity to express their own opinions. Although the club's main purpose is education rather than service, it has participated in several projects this year. For three weeks the club members kept the Student Lounge clean. They also painted the TV room at the Tin Can, a favorite meeting place for Myers Park students.

GAC Sells Green and White Beanies to Encourage "Basketball Our Pride"

As a frightened first-grader, Cathy Harkey performs in a skit for the New Girls' Tea.

The GAC added several projects to their traditional activities of pushing the Cheer Cart at Memorial Hospital, selling pom-pons, and sponsoring the New Girls' Tea and the Teachers' Banquet. Once a month the girls took children from Thompson Orphanage on outings such as a trip to Douglas Airport. The club had signs made directing traffic from Selwyn Avenue and Colony Road to Myers Park. To encourage school spirit, the Ambassadors sold green and white beanies to students. The girls provided the art work and Interact Club Members provided the muscles and height in decorating SC for Christmas. Weekly projects included making school supplies and keeping bowling scores for retarded children.

Green Rock, Compliments of Jr. Hi-Y's

Affiliated with the YMCA, the Junior Hi-Y Club participated in both athletic and community activities. The sensational basketball team played other Hi-Y teams around the city. Each member of the club took on underprivileged child to one of Myers Park's athletic events. Throughout the year the boys arranged a bulletin board on automobile safety in the SC patio showcase. One of the most unusual and original projects that the Junior Hi-Y members did this year involved a gigantic rock. The boys put this bolder in the circle and painted it a lovely shade of MP green as another of Myers Park's symbols.

Pen Pushers Make Thanksgiving Baskets

Pen Pushers is a club organized for girls who plan to enter professions in the business world. Speakers, whose topics range from the correct dress of secretaries to legal matters, are present at many of the meetings. Mrs. Anabell Prevatte, a representative from Ivey's Department Store and an instructor of the Seventeen Modeling Course, spoke to the members about a possible career in that field. Again this year the girls offered to the students Myers Park pillows monogramed in the school colors. For their Thanksgiving project, the Pen Pushers filled baskets with fruit. The girls placed a Thanksgiving message in each basket and then distributed them among the patients of the Charlotte Rehabilitation Hospital.

Interact Club Improves Appearance of Campus, Classrooms

Barbara Leumann and a fellow countryman sing Swiss songs at the Foreign Exchange Banquet.

The Interact Club members devoted several Saturday's to the service of the school. The boys improved the appearance of MP, inside and out, by polishing desks and cutting grass. To promote school spirit and interest in extra-curricular activities, the members distributed sports schedules, sold booster tags, presented a pep rally skit, and made possible the football and basketball programs by selling ads. Returning by popular demand were the Myers Park license plates, sold by the Interact Club first semester. The club also sold Christmas cards to MP students to be sent to the soldiers in Vietnam. Another project on the world level was the setting up of beds for the "International Holiday House," which was held for foreign students during Christmas.

Y-Teens Make Paper Turkeys, Valentines, and Print Cheers

Jr. Y-Teen Off.: Treas. Morrison, Sec. Blackwood, Vice-Pres. Townsley.

Adding to the beauty of the Myers Park campus, the Senior Y-Teens planted flowers again this year. The girls made paper turkeys at Thanksgiving to put on trays for patients at Memorial Hospital. To give the entire student body a Christmas present, the members decorated and put up thirty Christmas trees in LA—paper ones, that is. Near the beginning of the school year, the club gave a tea for the sophomore girls. The seniors explained the purposes and activities of the Y-Teens and offered their help in the organization of the sophomore club.

To get MP spirit off to a good start, the Junior Y-Teens printed and distributed cheers before one of the first football games. The members also had a party for the children at the Amy James Nursery.

The Sophomore Y-Teens brightened Valentines Day for the Presbyterian Hospital patients by making red paper hearts for their dinner trays. At Christmas the girls sent presents to the Crittendon Home. As a service project for the school, the Sophomore Y-Teens washed the blackboards in the rooms of the Math building. All three clubs are sponsored by the YWCA.

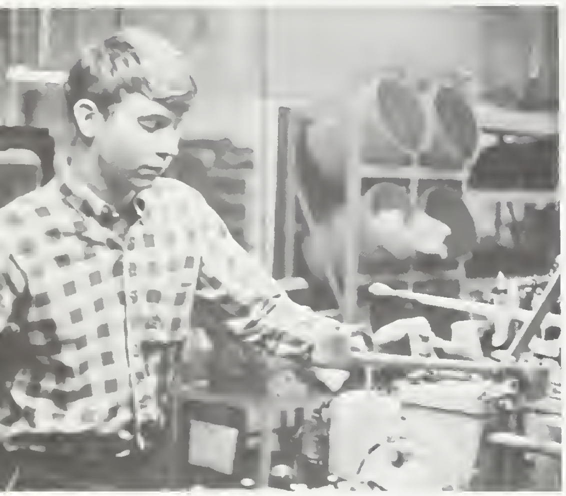
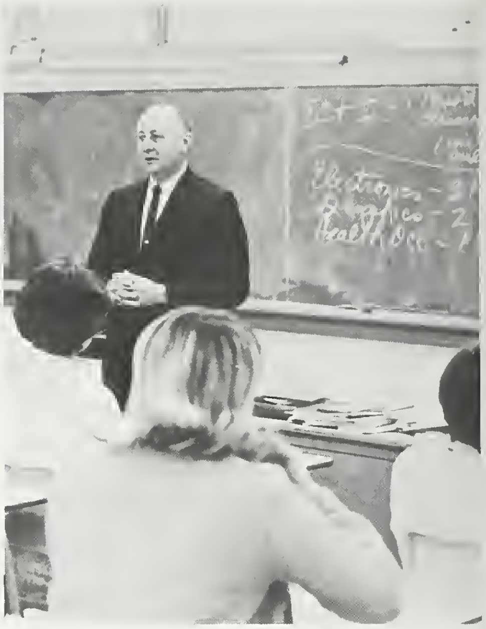
VIC Develops Good Business Practices



On his ICT job, Robert Franklin works on a piece of machinery at Gillis Manufacturing Co.

The purpose of the Vocational Industrial Club is to teach its members the dignity of work, good working habits and attitudes, desirable personal traits, self-confidence, and money management. By participating in the club activities, students learn the requirements of employers, the adjustments necessary when transferring from a part-time to a full-time job, and the citizenship and leadership qualities expected of VIC members. Each ICT student selects a trade that he is interested in and studies it two days out of the week, learning the specific requirements of this trade. On the other three days, the students study together to learn about the general requirements of getting and keeping a job, appearance, and character. Because ICT students hold regular jobs, they follow a special schedule which allows them to leave school at 12:30.



Mr. Harton, ICT teacher, talks to Sophomores about the ICT program at Myers Park.

Members of DECA Honor Employers at Bosses Banquet

Distributive Education gives students at MP a head start in business through a program of classroom instruction, work on the job, and club activities. Participating in contests such as salesmanship, job interview, advertising, and public speaking, members demonstrate ther knowledge. The DE Sweetheart and Boy and Girl Student of the Year are also chosen. One of the most important events of the year is the Bosses Banquet, when student employees honor their bosses and others who have guided them throughout the year.

The Red Cross devoted most of its time and efforts this year to the fighting men in Vietnam and the Vietnamese school children. The Red Cross received assistance through the homerooms in making Cheer Books for the American soldiers at Christmas. The booklets contained jokes, puzzles, word games, and cartoons. Several other clubs around the campus became interested in the Red Cross-sponsored project and participated also. The club collected school supplies and other articles including soap, mirrors, toothbrushes, and toothpaste for the children of South Vietnam. The Charlotte chapter of the Red Cross was one of the only ones in the United States to take part in such a program. The homeroom representatives collected $150 through the annual Red Cross Membership Drive.

The Monogram Club is an athletic organization which endeavors to improve the athletic funds of the school and to promote good sportsmanship. Ingenious phrases urging the annihilation, or at least the defeat, of Myers Park's sports opposition could be seen on booster tags purchased from Monogram members. During football season, the boys organized a spirit section at games. The welcoming sign painted by the club greeted MP students each morning. One of the biggest activities that the club undertook was the cleaning and reorganizing of the trophies in the SC cases. Raising and lowering the US flag each day was another of the Monogram Club's responsibilities.

National Honor Society Members Revise Booklet Giving Scholarship Information

Composed of the top fifteen per cent of the Senior Class and the top five per cent of the Junior Class, the National Honor Society acquired its members through three suspense-filled tapping ceremonies. The new inductees were not official members, however, until they displayed their acting abilities before the old members. These performances at the traditional banquets were perhaps the least scholarly (but most entertaining) activities in which the NHS participated. The members served as guides and ushers at the Regional Teachers' Conference held at Myers Park. This year a committee undertook the task of revising the scholarship booklets which were made available to all interested Juniors and Seniors. Members provided a tutoring service at $1.25 an hour, the first three dollars going to the Society.

The primary aim of the Engineers Club is to increase the knowledge of science and engineering among its members and to help them explore the possibilities of engineering as a career. Local representatives from firms such as Southern Bell Telephone and Telegraph Company and Celanese Corporation provided interesting topics for discussion at meetings. The members visited the WBT Studios and the Allen Steam Plant to broaden their knowledge of chemical and electrical engineering. Taking on interest in the progress and development of Myers Park, the club participated in several service projects. The boys cleared trees on the compus, delivered barbeque, and worked on the lighting arrangements at some of the school activities.

The FHA Club provides the members with an opportunity to develop their homemaking skills. The girls sold name tags which could be sewn into clothes for identification purposes. At one of the meetings, two representatives from Merle Norman's presented a talk and demonstration on the correct use of make-up. A needy family received a very nice Christmas—complete with food, clothing, and a tree—from the club. The members attended the annual District Rally in Kannapolis, where girls from all over the state were present.

FTA Offers Services to the Teachers

The members of the Future Teachers of America receive valuable experience in the field of teaching, which many will undertake as a career. By assisting teachers during seventh period and after school, the members were able to become familiar with the technical work that must be done. The assistants graded papers, organized and arranged bulletin boards, typed stencils, and performed other jobs pertaining to their specific subjects. The teachers as well as the club members benefited from this project. On the teachers' work day at the end of the semester, the club gave a tea in the library for the faculty members. In order to gain classroom experience, the Future Teachers were excused from school to spend a day in elementary or junior high school classrooms.

The Latin Club, one of Myers Park's more active language clubs, promotes and preserves interest in the language, literature, and customs of the ancient Romans. Each Latin class is responsible for the program at one of the meetings. The members of the fourth year class presented a skit about Pyramus and Thisbe in Latin. Although many students at the meeting did not fully comprehend all the Latin speeches, they were able to understand the main idea of the play from the vivid portrayals by the actors. Delegates from the club attended the annual National Junior Classical League Convention and also the State Convention, which was held in Chapel Hill. The members competed in contests involving mythology, Roman history, and word derivaties. Highlighting the activities of the year was Latin Week. Of the programs given each night, the slave auction traditionally was the most popular. Unfortunate first year students willingly volunteered themselves to be sold to the highest bidder. The elaborate Roman Banquet featuring student entertainment and a toga contest climaxed the festive week.

In order to learn more about French customs and way of life, the French Club members had at two of their meetings very able and interesting speakers: Mr. Macy, one of Myers Park's French teachers and Francoise Auque, a foreign exchange student from Nancy, France. During the holiday season, the club had a Christmas party and sang French carols. The members, hoping to acquaint other Myers Park students with aspects of life in France, decorated one of the display cases. Individual members wrote letters throughout the year to the American soldiers fighting in Vietnam. Picking up glass and trash in the parking lots was another service rendered by the club.

The Spanish Club meetings, conducted almost entirely in Spanish, provided a variety of programs including films, speakers, and plays given by the members themselves. Dr. Lopez, a professor of Spanish at UNC-C, spoke to the club on Spain in the language. At the banquet held in April, the members enjoyed Spanish food and played games designed to provide students with an opportunity to display their knowledge of the language. The members washed the language teachers' blackboards, delivered orders at the October Barbeque, and set up a display in one of the LA showcases.

The first service project for the school that the German Club members performed was folding boxes at Myers Park's barbeque. Each year the club gives some type of German literature to the school library. A subscription to a popular German magazine was this year's gift. Barbara Leumann's talk and slides of Switzerland and Germany helped to increase the members' knowledge about modern-day Germany. Celebrating the coming of spring, the club members attended a Fasching party wearing gaily decorated costumes.

Displaying their enthusiasm even with sore muscles and throats, were this year's JV and Varsity cheerleaders. They were dedicated to urging the Mustangs to victory. In most instances their "Two bits, four bits" cheers brought a tremendous roar from spectators.

Before each football game, the Varsity cheerleaders with their green and white pom-pons led the football team on to the field through a funnel formed by the band. At home games they bought Cokes for the rival cheerleaders to promote a friendly spirit. The cheerleaders personified good sportsmanship. Their conduct at games was an outstanding example at all times for the rest of the school to follow. They played a vital role in keeping school spirit a dominating and unifying force.

Who were those other girls walking around school in green and white uniforms? They were the Myers Park Lettergirls and Majorettes. During football season, the Majorettes made up their routines to the music of the sixth period band class. They then practiced with the Lettergirls, flagbearers, Drum Majors and Band twice a week after school. The talent and sparkling uniforms of the Lettergirls and Majorettes added much to the skilled performance of the band during half-time shows and the Carousel Parade. While the Majorettes put their uniforms away after football season, the Lettergirls continued to cheer with the cheerleaders during basketball games. In the spring, new Lettergirls and Majorettes were chosen on the basis of their skill, poise, and appearance.

GAA Members Collect for Heart Fund

GAA emphasizes "the more the merrier" in their bridge tournaments.

The program of the Girls Athletic Association at Myers Park is guided and co-ordinated through the direction of the University of North Carolina at Greensboro. To provide a better understanding of games and sports, to provide healthy recreation for high school girls, and to encourage good sportsmanship in all of its members are the purposes for which the club strives. The members engaged in several service and money-making projects throughout the year. During football season the girls sold programs at the games. The small profit received from the sale of these programs went to the enriching of the GAA sports activities. Another project designed to benefit both the club and other students was the selling of Myers Park sweatshirts.

Any girl at Myers Park can participate in any of the activities sponsored by the GAA. Membership is not required in order to form teams and compete in intramurals. Girls may earn points to become members by practicing and playing in games, and by serving as referees or scorekeepers. When a girl earns a minimum of fifteen individual and fifteen team points, she is made a member at an induction held at the end of the semester. After a rigorous initiation ceremony during which only the most physically fit survive, new members are officially welcomed into GAA.

Features Staff, Kacky May, Betsy Cochrane, and Patty Hadden talk over the work to be done on their articles. They spend much of their time after school in the student lounge gathering information for "Colt Cuts."

Title as Best Newspaper Staff at Myers Park High School

This year the **MyerSpark** staff tried to devote as much space as possible to school news and endeavored to represent the reader and his opinions. By using a more inexpensive type of paper, the staff was able to publish twelve issues of the **'Spark.**

The Editor, working under the supervision of advisor Mr. Sizer, was responsible for layouts and assigning stories. The Business Manager was in charge of selling ads and other financial duties. The Features staff gathered gossip in the Student Lounge for "Colt Cuts" and "Seniors of the Issue." A large sports staff added to the excellence of the sports coverage and composition.

As was traditional, the **'Spark** staff published a large issue at Christmas in which homerooms and organizations placed their Christmas greetings. In March, the staff sponsored the Lil' Abner and Daisy Mae contest in connection with the Sadie Hawkins Dance. The final edition of the paper included the Senior Superlatives, Last Will and Testament, Class Prophecy, and Poem.

The MyerSpark staff artist, Chris Moody, designed all sketches for the newspaper, the cover of the Key Club directory, and his own work for contests.

Don Jennings, Sports Editor, and Paul Vincent, Assistant Sports Editor, have kept up to date coverage of all sports events at Myers Park. Don is proofing Paul's work.

Morris Guller checks ad payments of backers for the newspaper. This is his job as Business Manager of the MYERSPARK.

Mustang Works Furiously to Make September Distribution

The **Mustang** staff had a responsibility to two thousand people to keep the contents of the annual a surprise and to meet the printer's March 8 deadline. The aim for the annual this year was to come up with an original approach to the presentation of a summary of three years of life at Myers Park.

Our '67 staff consisted of twelve major and thirteen minor staff members all working under the guidance of the Editor-in-Chief. The major staff bore the overall responsibility for the design and execution of the yearbook. All major decisions regarding the annual were made during major staff meetings.

The Editor-in-Chief was responsible for co-ordinating the entire book. As well as designing the opening section, she kept the work moving by checking on the progress of each sub-editor.

The Copy Editor co-ordinated all literary work of the yearbook. The photography Editor was responsible for assigning all pictures taken and distributing the finished photographs to the editors.

The Classes Editors co-ordinated the entire class section, seeing that the individual pictures were identified and prepared for the printer. Keeping up with school activities in order to give better picture coverage was the job of the Clubs, Organizations, and Student Life Editors. The Faculty- Curriculum Editor was responsible for presenting the opportunities offered by the academic program. Co-ordinating the entire sports section, the Sports Editor had to secure proper coverage of each sport and identify each picture. Responsible for all financial matters pertaining to the annual and for advertising and billing was the Business Manager. The **Mustang** treasurer received all money and kept accurate financial records.

Copy Editor, Kit Dorrier, adjusts her pencil to make changes in the grammar and punctuation of copy given to her by a section editor.

Mollie Robey tries to write copy on all Organizations at Myers Park, while Janice Booth, Clubs Editor, checks her copy material against her lay-out sheets. They co-ordinate all student activities.

Pam Patton, a member of the minor staff, shows a Chilean student last year's annual.

Elsie Love, treasurer, and Lynn Zagora, Business Manager, count money received from annual payments in February. They collect as much as 1700 dollars at a time.

Clyde Allen draws lay-outs to make sure the teachers are fully covered in the Faculty section.

The Minor Staff members are: Ruth Buker, Penny Wilson, Pam Patton, Emily Caddell, Kathy Howe, Mary Lou McFarland, Jane Dunning, Robin Ford, Steve McLaughlin, Bill Venning, Frank Fite.

Photography Editor, Kathy Idol, sorts contact strips to distribute to the various section editors.

Melanie Matley, Senior Class Editor, and Janet Godfrey, Student Life Editor, discuss plans with Editor-in-chief, Patti Flynn.

Sports Editor, Tom Pettus, marks contact strips for enlargements of pictures of sports to be put in the annual.

Each of the envelopes which Sophomore Class Editor, Laura Murphy, is getting in order contains a completed page of the annual.

Mustang Photographers Master Camera Technique

Steve Wilson and Gene Stallings look at the enlargement they have just developed from a contact.

Tobie Steele and Tommy Thomson use the enlargement machine as they blow up the contacts.

The minor staff, consisting of juniors, represented a cross section of the student body. Each minor staff member was given an opportunity to work on as many aspects of the yearbook as possible. The minor staff work provided valuable training and served as a basis for selection for future major staff positions.

The photographers had the most time-consuming job. Their task was to take and develop the more than four hundred pictures that went into the making of the '67 **Mustang.** Most of their afternoons were spent working in the darkroom and learning and practicing the skills necessary for taking interesting pictures. Each photographer was assigned picture jobs on Fridays for the following week.

The hardest worker on the **Mustang** was the advisor, Mr. Browne. Each year he has dedicated himself to helping produce a well-balanced yearbook. Without him the annual would not be possible.

Ben Douglas and Rocky McDowell put the negatives through a process to make contact strips. Afterwards they cut apart the sheets of contacts. All work is done in the darkroom in Physics.

Cleve Stowe and Rory Blake pour chemicals together to begin to make enlargements.

Kirk Johnson and Biv Efird clean the camera equipment before it can be used.

The fifteen member Madrigal group performed more often than any other choral division in the music department.

The Boys Glee Club practiced every Monday night before choir practice. Here Mr. Cronstedt drills them in a new number.

Choir sings "Ballad for Americans" at Dilworth Methodist

The Myers Park choral music department had four main performing divisions this year: the Choir, the Madrigals, the Boys' Glee Club and the Girls' Glee Club. This department has been under the direction of Mr. Carl Cronstedt for several years. The Choir, consisting of about eighty members, performed at other schools and assemblies. Members of the Choir gave shows at the Woman's Club. They also presented "Ballad for Americans" at Dilworth Methodist Church in February. As in previous years, the Choir plus the Girls' and Boys' Glee Clubs won honors in the State Contest at Ovens Auditorium.

The Madrigals were the most popular group. Composed of a small number of exceptionally talented boys and girls, the group was asked to perform at such places as Queens College, on the educational television station, Channel 42, and at private parties. All four groups perfected their vocal abilities once a week after school. This was in addition to their daily choral music classes. Most of the performers in the musical **My Fair Lady** by Lerner and Lowe were drawn from these groups. They practiced with the leading actors for a month before the performance.

Mr. Cronstedt conducts the Boys Glee Club during the winter program.

Choir Officers are: Ollie Sharman, Muffy Morrison, Truett Nettles, and Grady Lonon.

Amazing Talent of Myers Park Students

The outstanding dramatic productions at Myers Park are the result of a great deal of time, effort, and talent. Students look forward to the annual talent show, this year entitled "The Four Seasons." **Our Town,** co-sponsored by the Senior Class and the Drama Department, was a unique play in that little scenery and few props were used. The comedy, **Out of the Frying Pan,** was an arena production in which the audience felt almost a part. Working together, the Limelighters and Thespians presented the one act play, "Gloria Monday," produced and directed by Penny Hollars and James Alexander. As usual, the climax of the dramatic year was the gay musical, **My Fair Lady.**

The Limelighters' interests lie in increasing their ability and interest in the dramatc arts. While some members appeared on stage, many worked behind the scenes—applying make-up, painting scenery, and ushering. Speakers involved in radio, television, and the theater presented interesting programs at the monthly meetings.

The National Thespian Society is composed of those who have participated in the theatrical productions at MP. The skit, "The Fatal Quest," was presented by the club at the yearly "Festival in the Park." The Thespians also gave a performance for the Children's Theater. Each year the two dramatic clubs have a spring banquet, highlighted by the presentation of awards to the outstanding members, both on and off stage.

The Marching, Pep, and Concert

Head majorette, Ginny Duvall, stands poised in the middle of the field during pre-game.

The excitement of the football season was heightened this year by the precision and fine performance of the Myers Park Marching Band. Before the games the band marched onto the field and played The Star-Spangled Banner. At half time it displayed the results of hard work in various formations. The seventy-seven member band plus Majorettes and Lettergirls practiced twice a week after school drilling for perfection. An important event for the Marching Band was representing Myers Park in the Carousal Parade on Thanksgiving Day.

The Marching and Pep Bands were the most school spirited and active groups during football and basketball games. There seemed to be a kind of common bond holding the group together. They made banners and even shouted their own cheers between those led by the cheerleaders. During both football and basketball seasons, the band urged the Mustangs on to victory at pep rallies. The newly organized Pep Band complete with hats, ties, and vests was a welcome sight on home basketball courts this year.

The band also performed at a Jefferson Standard Convocation in March.

Drum Majors, Wesley Sturges and David Bowser show the Lettergirls how to mark time.

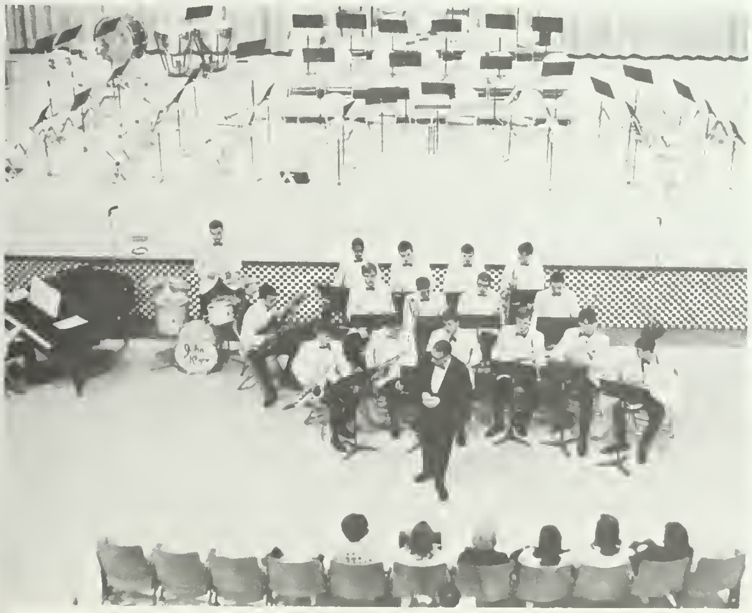
Bands Display Spirit and Talent at Games, Performances

Each year they join the Orchestra in Spring and Winter concerts in the auditorium. Included in these concerts were the performances of the sixteen member Stage Band. At their weekly practices, the group worked on their specialty, presentation of music of a contemporary nature. Under the guidance of Mr. Benson, in his second year at Myers Park as director, the band has shown that their efforts have been worthwhile. The band provided an opportunity for students to participate in an instrumental organization whose goal was musical excellence.

The band faces the home side in the MP for the last formation of the half-time performance. To perfect their precision and timing the entire band practices twice each week after school.

The Stage Band performs before the rest of the Concert Band comes on stage. This unusual group prides itself in performing contemporary music.



Pat Cauble, playing the tuba, practices with the orchestra. He and many others are interchanged between the orchestra and band as needed.

Mary C. Rendleman is Concertmaster at All-State Orchestra

Nancy Walker follows the music in order to be able to begin her string bass part on time.

Having begun the year with a progressive spirit, the Myers Park Orchestra gave an impressive performance at the Myers Park Auditorium in December. The arduous practice of the members was continually revealed by their superb displays of talent. The Orchestra was constantly being asked to play for various events here and away from Myers Park. The December and April assemblies provided an opportunity for the students to become acquainted with the ability of the organization. In March, the Orchestra presented a concert at Sedgefield Junior High School.

Each Orchestra member hoped for approval at the annual Orchestra Festival in Greensboro. Perhaps the most important events at which the Myers Park Orchestra performed were the musical, **My Fair Lady,** and commencement. The troupe's talents were displayed at their finest at the end of the year.

There are always certain people who excel in any particular field. This year's Orchestra had several members who were acclaimed as outstanding musicians. Carol Yarus was selected as the Charlotte, Youth Symphony Orchestra Young Artist Competition winner. This honor afforded her a chance to appear with the Symphony in March as piano soloist. Mary Catherine Rendleman was chosen runner-up in the Charlotte Symphony Young Artist Competition. She was also accepted as a member of a Youth Symphony which will tour Europe next summer.

Each year Orchestra members anticipate the selection of the All-State Orchestra. In January, seven individuals were chosen to represent Myers Park at the Eastern Carolina College event in which high school musicians from all over North Carolina combine their instrumental talent and knowledge to produce exceptional programs. Mary Catherine had the additional distinction of being selected Concertmaster for the All-State Orchestra, an honor not usually given to a junior.

Mary Catherine Rendleman performs a solo at an Orchestra Concert. She was concertmaster at All-State Orchestra this year and will also travel to Europe in the summer for her talents.

Willie Wells turns the end around a Huss opponent. Myers Park won the game by a final score of 46-0.

The Mustang defense, which does much of the work but gets little of the glory, lines up to crush its opponent.

Gridders Make District Semi-finals

The 1966 Myers Park Mustangs, a potential championship team, compiled a record of six wins, two losses, and two ties before going into the conference play-offs. They were defeated by South 20-7 in the semi-finals, a game full of "bad breaks" for the Mustangs. Four MP fumbles were recovered by South in the first half, three of which were converted into scores. The Myers Park score came on a 70-yard drive directed by quarterback Randy Short in only nine plays. David Brantley caught the 27-yard touchdown pass, with Louis Nachman converting the extra point. Short was extremely accurate on his passes, hitting 20 of 29 attempts.

They went for 69% and 230 yards. Brantley caught eight of them for over 100 yards. The Mustang defense had trouble withstanding the South ground attack as the Sabres' runners accounted for 300 yards.

Fortunately, games such as this were not typical of the Myers Park season. It was a season which held many high and low points for the Mustangs and one in which they seldom got together for a unified team effort. It was also a season plagued by injuries which claimed several starters. The team, studded with outstanding players such as Short, Martin, Brantley, Karres, and many others, lacked something that could have made it a champion. However, a 6-3-2 record does not justify the effort contributed by the team.

Half-back Ivey Stewart (40) runs behind the blocking of Jimmy Dowell (33) and Mike Phillips (45). Stewart, a sophomore, has a strong future for Myers Park. He gained 435 yards on offense.

Junior flanker Duff Goforth makes one of his 25 receptions of the year. He made four TD catches.

Mike Todd (31) runs around end behind the blocking of Short (14), Willard (67), and Phillips (45). Todd gained 111 yards on passes for the Mustangs.

Duff Goforth (24) returns a punt behind the blocking of Louis Jewell (39).

The 1966 Mustangs began the season with a smashing 46-0 win over Hunter Huss. The team was sparked by a fiery offense led by Randy Short and Mike Phillips and a stubborn defense led by Nick Karres and David Martin. Short's passing, in which he completed 19 of 32 for 291 yards, was complemented by receivers David Brantley, Bob Haubenreiser, Willie Wells, and Duff Goforth. In spite of this encouraging beginning Myers Park lost to Garinger 20-6 in the second game. The Mustangs were hampered by Mike Phillip's broken nose, Duff Goforth's injured hand, and Charlie Jetton's two touchdowns. In the third game Myers Park tied North 21-21. The Mustangs easily defeated their next two opponents. They defeated South 21-7, and West Charlotte, 9-6. Travelling to Asheville for their sixth game, the Mustangs tied them 14-14. In the next game, Myers Park held off a rally in the second half by Harding to beat them 41-28. This game was highlighted by a 62-yard punt return for a touchdown by Tersch Whitesides, two touchdowns by Ivey Stewart, a 66-yard touchdown pass from Short to Mike Todd, a touchdown pass caught by David Brantley, and a touchdown run by Barry Allison. The Mustangs beat East 35-13 in the Homecoming game. Short directed the team to a total offense of 419 yards and passed for 295 of them.

Sophomore Ivey Stewart (40) makes one of his 88 carries on which he averaged 5 yards per carry.

Their first score was a touchdown by Barry Allison. The Mustangs' next score came of a 68-yard touchdown pass to Duff Goforth. East fumbled the kickoff and Jim Seacord recovered to set up a scoring quarterback sneak by Short. The scoring for Myers Park was completed by Short's touchdown run, Nachman's extra point, and a 32-yard field goal by Mike Phillips. Myers Park then stomped Rocky Mount 41-13. They scored on two TD passes to Goforth, two TD's by Mike Phillips, and touchdowns runs by Short and Mike Todd. Also starring in the game were David Martin, Bob Haubenreiser, and Knox Tate. The Mustangs were then upset by West 12-17 and beaten by South 20-7 in the playoffs.

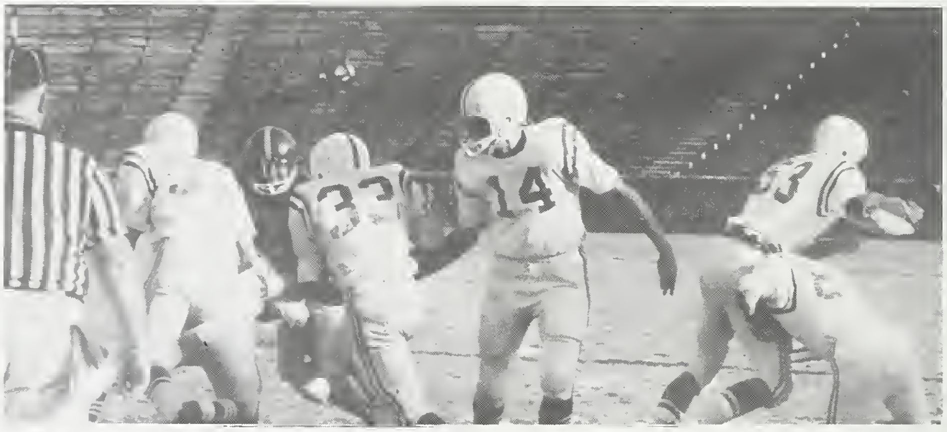
Mustangs Find Coordination Problem

Despite excellent coaching by Gus Purcell and brilliant play co-ordinating by quarterback Randy Short, the football team seemed to lack the spirit and teamwork necessary for an undefeated season. Often sparked by outstanding back Barry Allison, outstanding lineman Jim Seacord, and most valuable player David Martin, the Mustangs could not get the "breaks" that are so helpful in the tough games. Short found excellent receivers in Bob Haubenreiser, Duff Goforth, and David Brantley. Doing a good job on the "dirty work" up front were Chip Baucom, Bill Griffin, Nick Karres, Larry Howe, and many other outstanding linemen.

The 1966 varsity football team was definitely one of great potential. This potential was evident in the great plays produced by spirited team effort. The problem was that these moments would not come frequently enough or at the right time. Had more of this spirit and teamwork been available, the accomplishments of this team would have been unlimited. The trouble may be in the fact that emphasis was placed on individual effort and performance that should possibly have been placed on team effort. Although this practice does not produce an overwhelmingly successful team record, the outstanding players that are produced cannot be overlooked. Two fine examples of players such as these are Randy Short, who turned in a magnificent season at quarterback, and David Martin, who brought honor to his team and coaches by being selected to the Shrine Bowl team.

Mike Todd (31) pulls in a pass against Huss. He caught eight passes during the season. The Mustangs won this game 46-0.



Randy Short (14) hands off to Jimmy Dowell (33) against West Charlotte. Myers Park won the game by a score of 9-6.

Tough Colts Boast Undefeated Season

The Junior Varsity completed its season with an impressive 10-0 record. Coached by Stuart Allen, the JV's found it hard to get tough competition, winning only two games by less than ten points. They began the outstanding season with a 17-6 victory over West. After shutting out Hunter Huss and boiling Garinger 25-0, the Ponies won their hardest-fought game against North 20-19. Following were a 27-0 humiliation of South, a win over Catholic 13-0, and a close game in which the jayvees beat Ashley 12-7. They wound up their season with a 20-point defeat of Garinger, a 25-point win over East, and a 33-point victory over Second Ward.

The 1966 jayvees possessed the unity and team spirit necessary for an undefeated season. Led by outstanding backs Richard Pearsall, Tim Hart, and Coleman Smith and hard-working linemen such as Tommy Jordan and Harrell Rich, they accumulated 218 points while giving up only 38.

Richard Pearsall (36) fires an aerial behind the protection of Coleman Smith (30) against Garinger.

Larry Prince (24) turns the corner against West behind the blocking of Coleman Smith (30). The Mustangs defeated the Indians by a score of 17-6 in their first game.

Coaches Johnny Lee and Stuart Allen give pointers to Larry Prince at the half.

Horrel Ritch (66) and Bob Goins (87) put pressure on an East quarterback. The Ponies won the game 25-0.

Superior Coaching Staff Drives Jayvees

This year Coach Stuart Allen, with the help of Johnny Lee and Jim Hartman, produced another outstanding JV team. His successes with the junior footballers have often been overshadowed by his accomplishments with the track team in the last few years. Each year it is his job to take boys coming from several different junior high schools, who have played under several different coaches, and mold them into a unified, spirited body. Because of Coach Allen's success at this job this year, Myers Park has much to look forward to in the football future.

Stuart Allen, one of the best, if not the best, of Myers Park's coaches, deserves great praise for leading the jayvee football team through an undefeated season.

Of course, a coach cannot instill in his players all that is necessary to complete a season without a loss. Whether it be spirit, dedication, desire, or any other quality, that deciding factor must come from within the players themselves. This year's junior varsity was able to produce this effort and may foreshadow a renewed spirit coming to Myers Park.

Chip Clark (55) turns the corner against South. The Ponies won this game by a score of 27-0.

Cross Country Team Clinches State Title

In the tradition of Myers Park runners, the Mustang Harriers posted another fine season. Led by Larry Forrester and Phillip Wilson, they defeated all high school competition, losing only two meets to Hargrave and the Davidson freshmen. Following Forrester and Wilson were Lanny Davis, Dennis Healy, and Steve Austin. The cross country team opened its season with a dual meet in which it defeated North. Next they took first place in a five-way meet at East. In the third meet they suffered a loss to Hargrave Military Academy at Myers Park. They then took first place at the Wake Forest Invitational Meet. Their last dual meet resulted in a defeat by the Davidson frosh. The cross country team finished out its excellent season by winning the conference meet, in which Forrester placed second and Wilson third, and the state meet, in which Wilson placed third and Forrester sixth. Steve Austin placed eighteenth, Lanny Davis twenty-fourth, and Gary Allen thirty-fourth. This year's state win was Coach Cloaninger's second in the five years he has been at Myers Park.

Determined Basketball Team Has Trouble

The story of this year's basketball team has been one of ups and downs. With thirteen returning lettermen from last year's team which placed second in the state, the Mustangs were expected to be one of the best teams in Myers Park's history. Instead, the best they could manage was a season of sixteen wins and seven losses. Myers Park opened its season with an exciting come-from-behind victory over Greensboro Page. They produced the win in spite of the absence of three starters. Bob Bahnhaff led the team with 20 points while Gabriel Tindal added 15 and John Needy had 10. The score was tied at the end of regulation play, but a field goal by Bahnhaff and a foul shot by Needy gave the Mustangs a 56-54 victory. In the second game of the season, Myers Park was beaten by Burlington 74-65. The loss came in spite of 21 points from Kevin Kennelly and 15 from Gabriel Tindal. Fired up by their defeat, the Mustangs stomped South in the third game 106-49. Led by Kennelly with 17, Bast and Bane with 14 each, Tindal with 12, and Haubenreiser with 10, the Mustangs featured a dazzling offense and a relentless defense.

Producing Championship Combination

Still going strong, Myers Park trounced North 79-60. Stanley Bane did an outstanding defensive job on Marcus Rivens, North's hot-shooting guard, holding him to six points. In their fifth game the Mustangs downed Ashley 65-59, securing their fourth win. Next to fall was Second Ward, who lost to Myers Park 65-38. Kevin Kennelly again paced the team with 17 points. West Charlotte then handed the Mustangs their second defeat of the season by a score 72-70. In this fast-moving game the Lions were able to edge the Mustangs in spite of Kennelly's 25 points, his best performance so far.

In the next game Myers Park came back to defeat Garinger 74-72 in an overtime win. After the lead had changed hands several times, Haubenriser, Kennelly, and Tate finally combined their efforts to put the game out of reach for the Wildcats. After the close win over Garinger the Mustangs entertained Harding on their home court and easily defeated them 75-34. Bob Bohnhoff led the team with 24 points. Next to fall to Myers Park was Hunter Huss by a score of 80-65, as the Mustangs were paced by Kennelly and Needy.

Difficult Season Leaves Cagers with

Playing one of their best games of the season, the Mustangs ran over West 76-64. Kevin Kennelly hit his career high of 31 points with strong support from Bohnhoff, Tindal, and Haubenreiser. Still looking like a unified team, Myers Park defeated East 84-64 with a balanced attack led by Bohnhoff, Kennelly, and Needy. In their second game with South the Mustangs dealt them a 74-59 loss. Ending Myers Park's winning streak, North upset them 83-80 with superior rebounding and a third quarter surge. The Mustangs dropped their next two games, losing to Ashley, future state champions, 53-50, and Garinger 66-57. Coming out of their slump, Myers Park broke the city scoring record by defeating Harding 130-51 with eight men in double figures. Next a 91-51 win over Hunter Huss preceded a 53-52 loss to West. In the last game of the regular season Myers Park defeated East 87-56.

The Western 4-A Tournament held both encouragement and disappointment for Myers Park.

Final 16-7 Record

The Mustangs defeated East for the third time in the first tournament game, 62-52. They were led by Pudge Tate, who added nine points, and by Kennelly, who poured in 27 points. In its second tournament game Myers Park fell to Garinger 85-74. Plagued by a weak 32% scoring average, the Mustangs could not keep pace with the hot Wildcats. Myers Park finished out its season by beating West 77-70. The team was led by Kennelly with 25 points, and by Bost, Haubenreiser, Bane, and Needy, who were all in double figures.

Jayvees Produce

The Junior varsity basketball team began a successful season by stamping an inferior Catholic High team in a game led by Johnny Austin, Robert Diggle, and Fred Lapish. In their second game the Ponies were upset by South 53-52. Several Myers Park starters fouled out as South went ahead to win by one point. Lapish and Diggle paced the team with 16 and 13 points respectively. Following the South game the Ponies defeated the Rebels of North by one point 59-58. In their fourth game the jayvees downed Ashley 51-46. Next to fall to Myers Park was Second Ward, 51-49.

15-4 Season Over Tough Opponents

Then came West Charlotte, 58-54, and Independence 71-48. The seventh victory for the Ponies came as they defeated Garinger 51-38. Still hot on their winning streak Myers Park trounced Harding 65-31, Hunter Huss 63-53, and soundly thrashed West 61-32. The Ponies' nine game spree was halted when they were defeated by East 82-63. Coming out of their defeat by East, an inspired JV team edged by South 54-53, a team which had previously beaten them by one point. Next game was a 58-54 squeeze in which the Ponies beat North for the second time.

The jayvees received their third loss of the season which they dropped to Ashley 61-56. The Ponies lost their next game in overtime to Garinger 61-57. Fred Lapish was high scorer with 18 points, but fouled out with two minutes left. Then came a 63-64 humiliation of Harding, followed by a close game in which Myers Park defeated Hunter Huss 60-57. The Ponies took their fourteenth win over West 58-31. The JV season ended on a bad streak in a loss to East 43-36. The final tally was 15 wins and 4 losses.

Wrestlers Obtain Outstanding 11-1 Record

The Myers Park wrestling team opened its season this year by soundly thrashing Independence 44-9. The Mustangs posted pins by Chanter, Thompson, Serrell, Poston, Buice, and Williams. In their second match of the season the Mustangs defeated North 51-6 in another show of remarkable power. Wides, Chanter, Ure, Serrell, Watts, Clark, Poston, Tate, and Williams all scored pins. Next to fall to the MP wrestlers was Olympic by a score of 43-13, followed by Garinger who lost 43-10. In their fifth match the Mustangs lost to a strong Harding team by a score of 22-19. Harding got off to an early lead, winning in the 97, 105, and 114 pound classes. Myers Park then came back with wins from Thompson, Serrell, and Watts. Harding was able to take the major part of the heavier matches. Myers Park then went on another four game winning streak beating South 43-8, West 41-18, East 44-4, and North 40-13. The streak was ended by the Mustangs old nemesis Watauga High, by whom they were defeated 30-17. Fired up after the loss at Boone, the MP wrestlers came back to beat Country Day 34-9, and Hunter Huss 35-22.

In the district tournament the Mustangs walked away with the championship. Ten of the thirteen wrestlers were in the semi-finals with Serrell, Watts, and Williams winning championships. Serrell brought his total to 16 wins and no losses and Watts ended the tournament with 14 wins and 1 loss. Williams pinned all four of his opponents, retaining his undefeated record. The Mustangs ended a great season with a fourth place in the state tournament. Williams got to the semi-finals, Serrell to the finals, and Knox Tate pinned his final opponent to win the state championship in the 180 pound division.

Strong Jayvees Smash All Competition

This year's JV wrestling team promised a great varsity in the future by posting an undefeated season of eight wins and no losses. With a team that could have beaten many varsity teams in the conference, the junior wrestlers swept all competition. Their first win came at the expense of Independence, a new team which lost by a score of 37-7. In their second match the jayvees defeated North 18-10. After beating Harding in their fourth match, the JV's defeated South 20-0 with only four men, all of whom scored pins. The Mustangs then edged by West 8-3.

In this match the Indians offered the Mustangs their hardest competition. The seventh team to be crushed by the MP jayvees was East who lost by a score of 18-4. Rounding out their undefeated season Myers Park's junior varsity wrestlers stomped Country Day 22-2 for their eighth win.

Dedication and spirit have been the key to success for the junior wrestlers this year. Much hard work is needed to post an undefeated season. Led by outstanding wrestlers such as Dennis Chapman, Fitzhugh Stout, Ken Coe, and Buddy Thomason, and with dedicated coaching from Jacques Macy, the jayvees have a bright future.

Bill Ranson, a junior, swims the 100-yard backstroke in the meet against Spartanburg. Myers Park won 58-37.

Mermen Record Another Fine Season

The 1967 Mermen, despite many difficulties again this year, produced a fine season. As last year, the team could only practice one half an hour a day because of insufficient facilities. More time was needed, shown by a record not considered as good as past years, but still good under the circumstances.

The team was coached by Mr. Niver, new to the school this year. Niver took a real interest in his position, and his honest spirit for the team proved a considerable inspiration.

The team was comprised of four seniors, juniors, and sophomores. Gene Stallings was top swimmer, swimming the 200-yard and 400-yard freestyle. The 200-yard medley relay was comprised of Steve Hawes, Mark Lightcap, Jay Seay, and Tom Rehm in the backstroke, breaststroke, butterfly, and freestyle, respectively. The 50-yard freestyle was dominated by Tom Rehm, with Jay Seay, Bill Ranson, and Edward Godwin also turning in good times. The 200-yard individual medley was swum by Tim Turner and Kemp Dunaway.

David Brantley, the team's best driver, makes a turn in the 100-yard backstroke. Brantley swam little, but was a great asset to the team as a driver.

Swimmers Take Fourth in State Meet

Joy Seay, a senior and one of the team's best swimmers, gets ready for his next event.

Rehm, Turner, and Dunaway also swam the 100-yard butterfly. Top man in the 100-yard freestyle was Edward Godwin, with Bill Ranson giving him tough competition in every meet. Steve Hawes led the 100-yard backstroke. Mark Lightcap and Bert Moody battled for leader in the 100-yard breaststroke. The last event of each meet was the 400-yard freestyle relay. The relay proved to be the deciding factor of many meets, and it was an excellent one, led by Edward Godwin, Jay Seay, Bill Ranson, and Tom Rehm. They turned in excellent times, with Steve Hawes, Kemp Dunaway, and Tim Turner filling in.

Diving was the strongest point this year. David Brantley and Steve McLaughlin dominated the opposition, both undefeated in dual meets. Brantley finished first in the state and McLaughlin second. Other winners in the state meet were Tom Rehm, fifth in the 50-yard freestyle, and Gene Stallings, fourth in the 200-yard free and third in the 400-yard free. The 400-yard freestyle relay placed fourth, giving the team a fourth place in the state and rounding out the season.

Track Team Headed for State Crown

Pole vaulter Bobby Annas clears the bar against East. Annas was the team's second vaulter.

The 1967 field team for Myers Park has gotten off to another great start as it has done its part in contributing to a so far undefeated season. After a strong victory for the Mustangs at the Duke-Durham Relays it looks as if no one will be able to defeat this year's cindermen. Turning in the best performance for the field team has been Nick Karres, who has starred in the shot and the discus. Karres took a first in the shot and in the discus with a throw of 159′.

Larry Howe, who also puts the shot, took a third in Durham. Barry Allison and John Cassanova have also been doing well in the discus this year. John Needy and Henry Funderburke have been performing the high jumping duties for the Mustangs. Bradley Clapp and Kirk Duncan have been outstanding on the broad jump. Tersch Whitesides and Bob Annas, both juniors, have supplied the talent in the pole vault. The field team has certainly been a successful complement to the track team in their mutual success thus far.

Phillip Wilson, Dennis Healy, and Steve Austin participate in the mile run against East. Wilson also ran on the mile relay which took first place at the Duke-Durham Relays and set a meet record.

Broad jumper Kirk Duncan jumps in the five-way meet at East. Myers Park easily dominated the meet.

Junior Steve Austin, who ran in the third position most of the season, runs the mile in the East meet.

Shot putter Larry Howe, who backed up Nick Karres, puts the shot against East. Howe took third at the Duke-Durham Relays.

David Todd and Lanny Davis lead the field in the half-mile run. Todd and Davis are juniors.

Track and Field Events both Contribute

Coach Stuart Allen has produced another remarkably successful track team this year at Myers Park. They are undefeated through the Duke-Durham Relays, and should remain so up to the state meet, which they have a good chance of winning.

The big victory at Durham was preceded by wins in the News-Piedmont Relays and a five-way meet at East. The biggest win of the season came at the Duke-Durham Relays which were held on April 15.

The cindermen defeated Washington and Lee High of Arlington, Va., the only team to beat the Mustangs last year, by 30 points. Jimmy Dowell, Mike Todd, Harris Houston, and Louis Jewell won the 880 relay and set a meet record in the 440. Houston, Phillip Wilson, Paul Vincent, and Todd set a meet record in winning the mile relay. Lanny Davis, Larry Grist, Wilson, and Larry Forrester also set a new record in the distance medley relay.

Track team. Bennett, M. Todd, M. Anderson, Grist, Huffman, T. Todd, McLaughlin, B. to Successful Slate

Louis Jewell took first in the 100-yard dash followed closely by Mike Todd in second. Paul Vincent won the high hurdles and David Brantley was second. The Mustangs won every running event they entered except one relay which was disqualified.

The remaining regular season meets are the Queen City Relays and the North Invitational. After sweeping those, the team will go on to the conference, sectional and state meets. With a little bit of luck, the 1967 track team will go all the way.

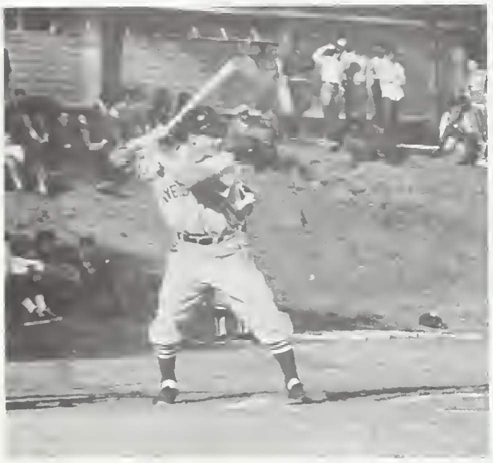
Nick Korres, the team's leading shot putter and discus thrower, puts the shot. Korres took first in the shot and the discus in the Duke-Durham relays with throws of 159' and 13' 10".

Gary Allen, a sophomore and a promising miler, runs the mile in a meet with East.

Lonny Davis and David Todd, both juniors, run in the 880. Davis and Todd handled the duties on the half-mile run for the Mustangs for the entire season. They also ran the distance medley.

Dale Sprinkle hurls from the mound against Garinger. Myers Park won this game by a score of 6-0 for their third win of the season.

Pudge Tate, one of the team's best hitters, is congratulated by Rob Pierce after hitting a home run against Harding.

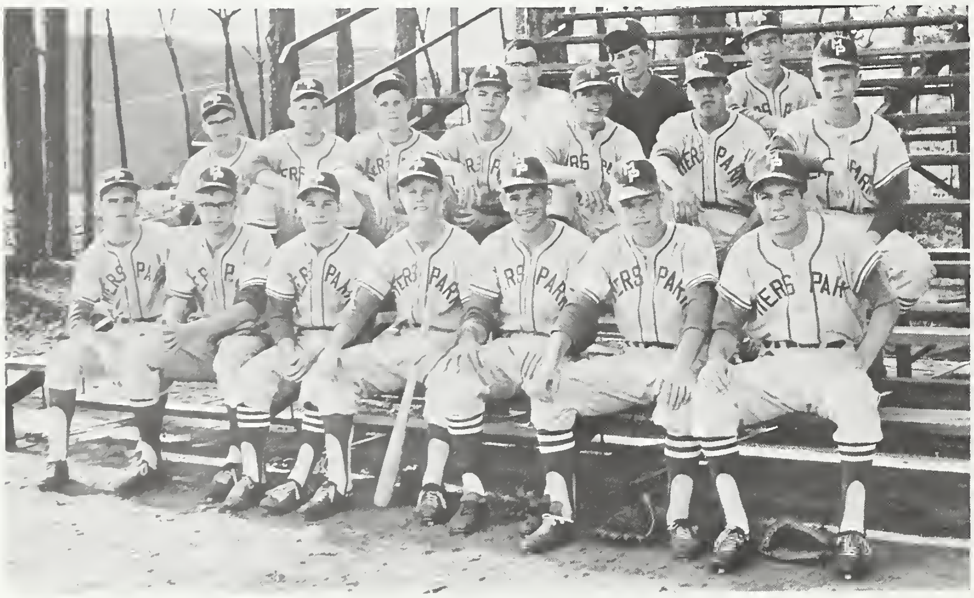


Dale Sprinkle, a pitcher, gets set for a pitch against South. The Mustangs won this game by a score of 4-3 for their fourth win of the season.

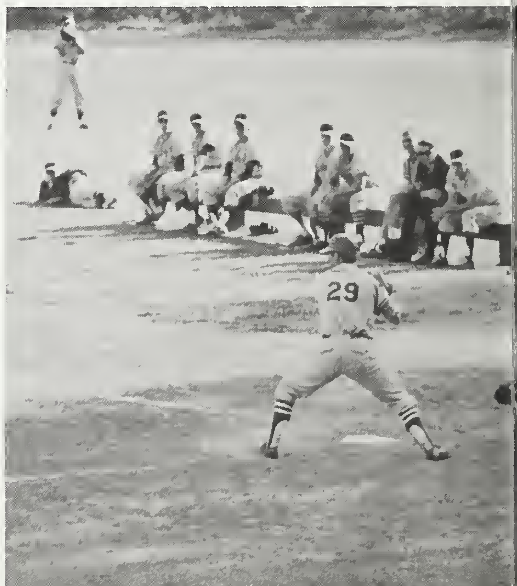
Well-balanced Baseball Team Provides

The 1967 Myers Park baseball team seems to be breaking the recent trend of mediocre baseball teams at MP. At the end of 10 games they have won 5 and lost 5 and are in fourth place. In their first game the Mustangs trounced West Charlotte 26-0. They also took the second game over Harding by a score of 4-1. A slump followed, in which they dropped the next four games. In the third game Myers Park fell to West 12-0 and then to Hunter Huss 12-2. The Mustangs then took their third and fourth defeats of the year at the hands of North, the defending state champions, 19-3 and against East 6-1 Coming out of the four-game slump the baseball team won its next three games. The third win of the year came over Garinger 6-0. They then defeated South 4-3 and Independence 4-3. Myers Park lost its last game to date to Gastonia Ashley 11-1. The Mustangs will play most of these teams a second time.

Varsity Baseball Team. 1ST ROW: Wagner, Poe, Wilson, P. Tate, Short, Moen, Ghent. 2ND ROW: Holden, Babcock, B. Tate, Land, Cauick, Pierce, Moore. 3RD ROW: Hawfield, Mgr., Call, Mgr., Wilson.



Robbie Cauick (29) gets set for a pitch in the Harding game. Cauick catches for the Mustangs.



unior outfielder Pete Skidmore gets set for a pitch in the Harding ome. Skidmore has another year left on the team.

Junior Rob Pierce slams a line drive in the Harding game. Pierce, one of the team's best hitters, plays second base.

Hope for Mustangs

The varsity baseball team is coached by Jack Sink. Coach Sink has had limited success in the recent past, but as there are only six seniors on the team the coming seasons should be very successful. Dale Sprinkle has been doing most of the pitching with help from sophomores Chip Holden and Tommy Land. Rob Pierce, Pudge Tate, and Eddie Moore have been hitting well for the Mustangs. Randy Short, who has been sick, is getting back into the line-up. Senior Gary Moen is captain of the team.

Dale Sprinkle, the team's best pitcher, fires a fast ball as second baseman Pudge Tate gets set for the play.

Senior outfielder Tom Ghent encourages his hitter as he takes a lead off of third base in the Harding game.

Second baseman Pudge Tate slides into second for a double against Harding. The Mustangs won the game by a score of 4-1.

Talented Sophomores Bring Spark to MP Baseball Scene

The Junior Varsity baseball team looks like it will put a spark in the baseball program at Myers Park. It is made up of many talented sophomores who in the coming years may give Myers Park some of the best teams in its history. In addition to the sophomores playing JV ball, there are also some tenth graders on the varsity, such as Chip Holden and Tommy Land, who will be assets in the next two years.

In their first game of the season the JV's downed South 9-7. They then took a loss to East by a score of 5-2 in the second game.

Their second loss came to Garinger 4-3, but after defeating South again 8-7, they got their revenge over the Wildcats by beating them 7-1. Thus to date they have brought their record to three wins and two losses.

The junior varsity is coached by Wayne Ayers, who has done a fine job of finding a winning combination. Skip Bennett, Danny Tart, and David Withrow have been handling the pitching duties for the Ponies. Jerry Alexander, Steve Sharman, Chuck Weeks, Richard Pearsall, and Tim Hart have been hitting well for the team. Larry Prince, Johnny Bayne, and Robin McMillan round out the starting line-up.

Jerry Alexander, one of the JV's best players, plays first base.

Chuck Brooks, a sophomore who played some varsity ball, waits for a throw at third.

Steve Sharman, shortstop, gets set for a pitch in the second South game.

Robin McMillan, the team's catcher, warms up his pitcher before the Garinger game.

JV Baseball Team. 1ST ROW: Prince, Weeks, Hart, Bennett, Sharman, Brooks. 2ND ROW: Bayne, Ritch, Allen, Pearsall, Archer, Tart, Marsh. 3RD ROW: Alexander, McMillan, Withrow, Wilson, Kaudle.

Chuck Weeks, second baseman and one of the best hitters, gets set for a pitch.

Promising sophomore Jimmy Martin drives one against East in the Mustang's first match. In this match at Cedarwood Myers Park beat East 12-0 and South 10-2. Jimmy will have two more years on the team.

George Waterhouse, who played in the number two position, hits a long drive in the Ashley match. In this match the Mustangs beat Ashley 15-3 and West 14-4 to bring their season to a record of 3-0.

Golf Team Smashes All Opponents Early in Hopeful Season

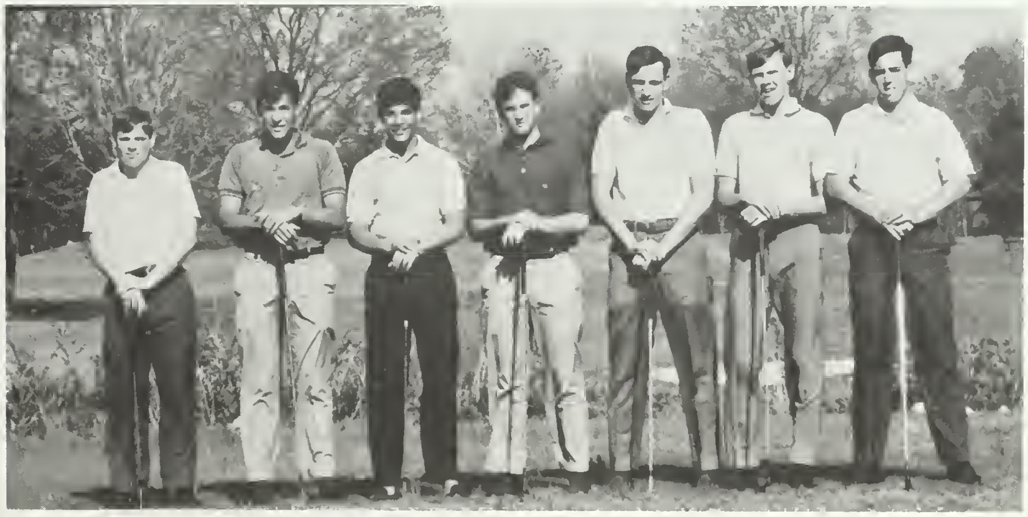
Myers Park's golf team is turning another outstanding season this year as it has defeated all competition through its first four matches. The first match was a triple match with East and South at Cedarwood Golf Course. The Mustang golfers defeated East 12-0 and South 10-2. Their second match was with West Mecklenburg and Ashley in Gastonia. Myers Park downed West 14-4 and Ashley 15-3. In the third match of the season the Mustangs played the Davidson freshmen at the Myers Park Country Club course and defeated them by a score of 13-8.

The golfers final match to date was a dual contest with West Charlotte, which was played at Bonnie Brae Golf Course. Myers Park won this one by a score of 15-8.

The 1967 golf team owes much of its success to experience. The first two players, David Hawkins and George Waterhouse, are two year veterans on coach Jim Hartman's golf team. Playing in the third slot is a junior, Bo Turner, who also played last year and should have a strong season next year. In the team's fourth position is Jimmy Martin, and following him in fifth is Doug London.

David Hawkins, the team's leading golfer, lays into a tee shot against West. Myers Park won 14-4.

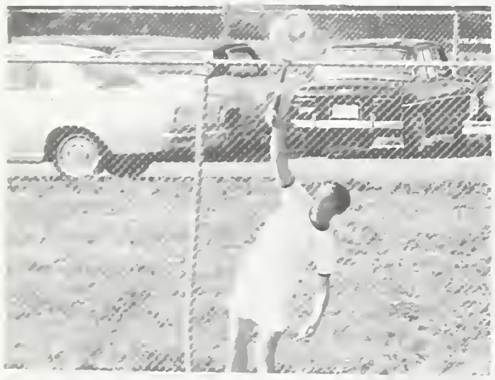
Golf Team. Bo Turner, George Waterhouse, Doug London, Rob Raland, Dennis Stanley, Jimmy Martin, and David Hawkins.



Terry Brown, the team's number one player, strokes a backhand in the East match.

Stokes Van Pelt on the first court, Terry Brown on the second, Bill Isenhour on the third, Tommy Pettus on the fourth, Kemp Dunaway on the fifth, and John Northey battle their opponents.

Fiery Start Promises Outstanding Season for MP Netmen



Tommy Pettus, who played in the number three position, smashes a serve in the South match.

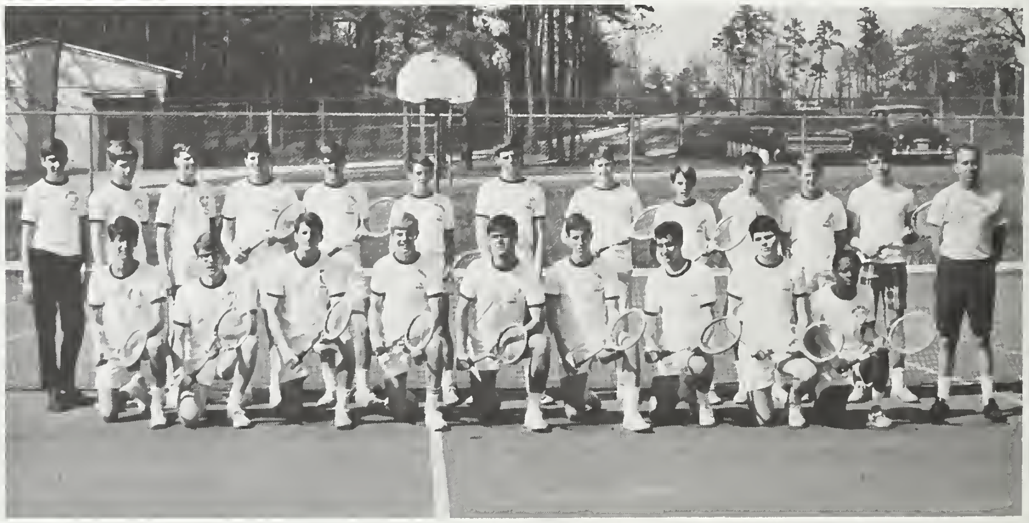
The 1967 tennis team got off to a great start as it won its first five matches. The first match of the season was a close duel with Shelby which was highlighted by victories from Kemp Dunaway, Tom Pettus, John Northey, and Stokes Von Pelt in singles and Pettus and Northey and Dunaway and Von Pelt in doubles. In their second match the netmen thrashed West Charlotte on the opponent's courts by sweeping the singles and doubles for a final score of 9-0. The next two matches were easy victories which came over Independence and Olympic.

The fifth match of the year was against Ashley, which proved to be another easy victory for the Mustangs.

The tennis team, composed of, in singles order, is Terry Brown, Bill Isenhour, Tommy Pettus, Kemp Dunaway, John Northey, and Stokes Van Pelt. The first doubles team is Brown and Isenhour. Playing second doubles are Pettus and Northey, and the third team is made up of the two sophomores Dunaway and Von Pelt. The second and third teams have yet to lose a match. Coached by Bill Cloaninger, the tennis team is looking for another great season and a trip to the state tournament.

Bill Isenhour, the tennis team's number two player, hits a forehand against his South opponent.

Tennis Team. 1ST ROW: Brown, Isenhour, Pettus, Dunaway, Northey, Von Pelt, Farber, Hoke, Alexander. 2ND ROW: Grier, Mgr., Allison, Hummel, Fligel, Roberts, Gatewood, Drumm, Lindgren, Dunaway, Kraft, Hoene, Foushee.



Intramural Program Offers Additional Athletic Opportunity

The intramural athletic program at Myers Park has done a fine job again this year in providing a chance for boys unable to participate on varsity teams a chance to take part in school athletics. Wayne Ayers, as head of the program has worked hard to supply this supplementary opportunity in sports.

The intramural program started off with football, which was held in the fall of the year. There was a good turnout and wide participation. The championship boiled down to a rivalry between two teams. The Kentucky Gentlemen, starring Pudge Tate, Tommy Nisbet, John Hamilton, Danny Wilson, Pat Hall, Dick McMillan, and several others took on the Silly Cougars, featuring Kevin Kennelly at quarterback. They also had Tommy Buice, Louis Nachman, Bob Bohnhoff, Chris Culp, Stan Bane, Jimmy Bost, Ralph Erwin, and several players. In spite of a hard-fought battle from the Cougars, the Gentlemen were able to capture the crown.

Following football was basketball intramurals. The Silly Cougars gained their revenge by sweeping all competition to win the championships. A second basketball intramurals was held in the spring. It was won this time by the Winos, a junior team featuring Bob Anders and Mark Edwards. Intramurals is an important part of the athletic program at Myers Park. Coach Ayers had made this one of the best years for boys to participate in non-varsity athletics.

Bob Anders, guarded by Paul Spil, puts up two in basketball intramurals.

Soccer Team. 1ST ROW: Vincent, Roberts, Harris, Woodall, Baesel, Davis. 2ND ROW: Stowe, McGee, Mandrapilias, Alexander, Svensson, Watts, Straup. 3RD ROW: Martin, Williams, Aman, Caeter, Burnham. 4TH ROW: Weston, Smith, O'Brien, McClain, Van Pelt, Glover.

Paul Vincent (32), a senior, steals the ball from a Christian High opponent.

Soccer Team Plays Important Role in Intramural Program

One of the most important parts of the intramural program is the soccer team. Coach Floyd Campbell has brought the soccer program almost to the level of a varsity sport. The soccer team had its first match against Christian High, which ended in a 2-2 tie. Both Myers Park goals were scored by Paul Vincent. The second match was against Ben Lippen. The Mustangs were defeated 7-1 with Chris Svensson scoring the goal. The third match of the season resulted in a 6-0 loss for the Mustangs against Celanese. In the fourth match Myers Park lost to Christian 3-2. Vincent and Svensson each scored one goal.

The soccer team finished up its season with a 2-2 tie with East in which Vincent and Svensson scored the MP goals.

Paul Vincent and Chris Svensson, the only two players to score all season, headed the team play. Bobby O'Brien and Phil Weston also played well for the team. The line-up also consists of Coleman Smith and Jim Watts on the front wall, Stokes Van Pelt, Boyce Alexander, Reid Harris, and David Woodall on defense, and Cleve Stowe and Terry Brown, who alternated at goalie. Soccer at Myers Park has been improving in recent years and if the improvement continues, it may soon become a varsity sport.

Bobby O'Brien (31) maneuvers around an opponent in the Christian High match.

David Woodall (30), Reed Harris (12), and Cleve Stowe (33) defend the goal against an attacking opponent.

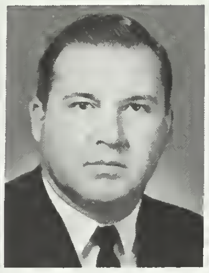
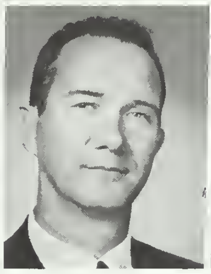
MP Coaching Staff Drives for Another Outstanding Year

Wayne Ayers



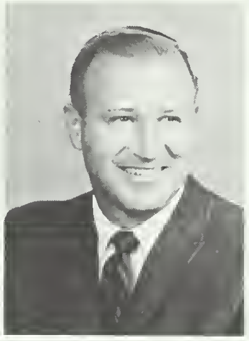
Floyd Campbell

Bill Cloaninger



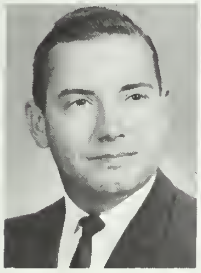
Bill Cordell

Jim Hartman



Stuart Allen
Athletic Director

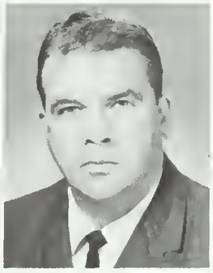
Johnny Lee



Jack Macy

Gus Purcell

Jack Sink



The coaching staff at Myers Park has again proven itself one of the best in the state. As Athletic Director for the school, Stuart Allen has coordinated the entire program. In addition to his services in this capacity, he coached the undefeated JV football team and the outstanding track team. Gus Purcell turned in another successful year as head varsity football coach. Bill Cloaninger's cross country team won the state title, and his tennis team looks like it will have another great year. Donald Niver, in his first year at Myers Park, coached the highly successful swimming team. Jack Macy's wrestlers won the district and took fourth place in the state tournament. Jim Hartman turned out another fine basketball team and coaches the so far undefeated golf team. Bill Cordell worked hard as assistant football coach, as did Jack Sink, who also coaches the baseball team. Wayne Ayers, in addition to coaching the successful JV basketball and baseball teams, directed the intramural athletic program.

Assistant coaches Jim Hartman and Johnny Lee help head coach Stuart Allen with the undefeated JV football team at half time. Myers Park's JV's have a tradition of success.

It is impossible to recognize all those whose patience and co-operation have helped make the 1967 **Mustang** a reality. The staff would like to thank those individuals and organizations without whose special help we could not have produced this book:

Mr. Frank Fleming, Consultant, Delmar Printing Company;

Mr. Ralph Criminger, Art Director and Mrs. Anne Hoyle, Layout, Delmar Printing Company;

Mrs. Virginia Christenbury, Mrs. Jean Howorth, Beverly Studio, senior portraits;

Mr. Bill Renfro, Delmar Studio, underclass portraits;

Mr. and Mrs. Phil Aull, beauty portraits;

Mr. Johnny Corson, beauty judge;

Dr. Lewis and the Myers Park faculty;

The Myers Park student body;

The 1967 Staff and Homeroom Representatives;

Mr. G. Leslie Browne, Advisor;

And the parents and other friends of Myers Park who have supported the **Mustang** as Sponsors and Patrons
